

PATÉ WITH HERRING

Delicious wet food with MSC herring for adult cats

Urinary pH control

Sugar-free recipe

Available in: **85g; 8x85g**

Under the sea? No, in the bowl! Our Green Petfood Paté with Herring with fish tastes so maritime and yummy that you'd think it came straight from the sea. The cat food with a recipe without added sugar and cereals not only tastes delicious. Thanks to selected, high-quality ingredients, wet food can also support your cat's urinary tract function.

A cat food that can help with urinary stones? And that tastes so delicious? Yes, quite right. And we go one better: our Green Petfood flavour promise that it contains only good stuff and no nonsense. Put your paw on it!

- Cat food paté with fish for adult cats
- 100% balanced recipe, without added sugar and cereals
- Urinary pH control: the choice of ingredients can support the function of the urinary tract
- 100% taste, 0% nonsense: Pure recipes, real ingredients - and nothing else

Feeding recommendation:

Weight	Inactive	Active
2-3kg	130-175g	175-230g
3-4kg	175-210g	230-280g
4-5kg	210-245g	280-325g
5-7kg	245-305g	325-410g

The recommended feeding amount is per animal per day. The amount of food should be reduced, for example if snacks are also provided. Please note that the amounts stated are for guidance only and should be adapted to the feeding requirements and activity level of your pet. Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C and serve at room temperature within 24 hours.

PATÉ KITTEN WITH CHICKEN

The yummy wet food with ASC salmon and chicken for kittens

Optimal growth

Sugar-free recipe

Available in: **85g; 8x85g**

So small and already so yummy: our Green Petfood Paté Kitten is the kitten food with a sugar-free recipe, the paté for the bowl, the new favourite food for your mini kitten! The recipe without added sugar and cereals is perfectly tailored to the needs of growing cats - thanks to valuable fatty acids from salmon, which support brain development. And taurine as an important nutrient for the heart.

Incidentally, the salmon in the wet food for kittens is ASC salmon and sets the standard: it only contains good stuff. For example, super yummy chicken. This is what we stand for with our Green Petfood flavour guarantee!

- Cat food paté with ASC salmon and chicken for growing cats up to 1 year old
- 100% balanced recipe, without added sugar and cereals
- Valuable fatty acids from salmon support brain development, while taurine is an important nutrient for the heart.
- 100% taste, 0% nonsense: Pure recipes, real ingredients - and nothing else

Feeding recommendation:

Adult weight	2	3	4	5	6	7-12
/ 24 hours	months	months	months	months	months	months
3-5kg	205-220g	250-295g	265-340g	255-355g	240-365g	215-370g
6-8kg	225-230g	305-320g	360-385g	385-415g	400-445g	410-465g

An 85g pouch corresponds to approx. 20g dry food.

The amount of food should be reduced, for example if snacks are also provided. Please note that the amounts stated are for guidance only and should be adapted to the feeding requirements and activity level of your pet. Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C and serve at room temperature within 24 hours.
