## Our **CUSTOMERS**

GK is a major player in the equipment law enforcement and safety professionals. Our ability to meet the most stringent requirements has allowed us winning several tenders, including French Homeland Security, Ministry of Justice and Defense.

Recognized for our reliability and our large range of innovative products, we can count on the trust of many Public Administrations in France and abroad. Among other main clients are the Gendarmerie Nationale (134 738 officers), Police Nationale (144 000 officers), Police Municipale (27 000 agents), and Customs (18 000 agents), Private Security Agencies such as Loomis and Fire Services Agencies.

We also have the privilege of relying on the trust of French Elite units such as GIGN, BRI and RAID, as well as armed forces of European countries.

WORKING WITH US MEANS  
ACCESSING A VAST NETWORK  
OF CUSTOMERS.
