

AquaSense 2 Ultra

The World's First AI-Powered 5-in-1 Robotic Pool Cleaner

HybridSense™ AI Pool Mapping with 27 Sensors

5-in-1 Cleaning: Clarification, Surface, Floor, Wall, Waterline

Advanced AI Debris Detection

Adaptive Path Planning for Multi-Level Platforms

ClearWater™ Clarification System

Water Surface Parking & Remote Navigation

AquaSense 2 Pro

The Industry-Leading 5-in-1 Robotic Pool Cleaner

5-in-1 Cleaning: Clarification, Surface, Floor, Wall, Waterline

ClearWater™ Clarification System

Water Surface Parking & Remote Navigation

Full Coverage Path Optimization with 22 Sensors

Up to 11 Hours of Continuous Surface Cleaning

Safe & Convenient Wireless Charging Dock

Complete Cleaning: Floors, Walls, Waterline

Smart Water Surface Parking

Double-Pass Waterline Scrubbing

Up to 4 Hours of Continuous Floor Cleaning

Full Coverage Path Optimization with 16 Sensors

Safe & Convenient Wireless Charging Dock

iSkim Ultra

The World's First Intelligent Robotic Skimmer with Ultra Cleaning and Control Performance

Automatic and Natural Water Clarification System

App Remote Control, Scheduling & Voice Broadcast

Precise Surface and Edge Cleaning with 20 Sensors

High Efficiency 7 Motors and Obstacle Handling

Superior Debris Removal with Dual-Side Brushes

Extra-Large 9L Filter Basket with One-Touch Debris Release

24/7 Cleaning:
24W Solar Panel, SolarTrack™
& 10,000 mAh Battery

About Beatbot

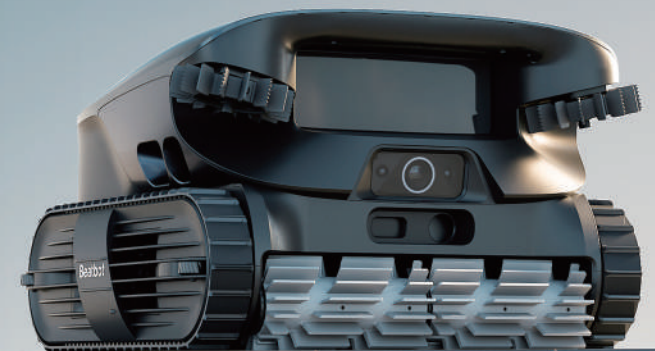

Beatbot is a technology brand dedicated to the global robotization of swimming pool environments.

Pioneering core technologies like brushless water pumps, AUV spatial locomotion, sonar laser SLAM, and space mapping navigation algorithms, Beatbot has secured numerous patents and pioneered industry-first innovations.

Beatbot's mission is to redefine smart pool care, address industry challenges, enhance performance, and deliver hassle-free pool care experiences.

Beatbot

World's No.1 High-End Robotic Pool Cleaning Brand
