Since 1988, as Umur Printing, we continuously aim to be the best in our sector with our cutting edge technology, customer oriented approach and management principles.

We offer high quality service and wide range of products to our local and global customers all around Turkey and export more than +50 countries in 5 continents; through 130.000 m² area of manufacturing and converting facilities located in Dudullu OIZ, Gebze OIZ, 230 machines and 650 employees.

Umur Printing always positions itself as a global leader in the production of sustainable paper products.

THERMAL ROLLS

We care for the nature and human health by using paper excluding BPA and BPS.

Umur, one of the biggest thermal paper converter in Europe, is the solution partner to its customers since 2001. We continue to care for the nature and human health by serving our customers with the latest technology.

Small differences make big impacts.

We work for a healthier life and cleaner world. We adopt sustainability as a principle and we constantly review and improve our environmental management system.

We use recycled paper that doesn't contain BPA and BPS.

With the FSC and PEFC certificate, we ensure the protection of forests for future generations.

THERMAL ROLLS

Products

- Cash Rolls
- Pos Rolls
- Atm and Q-Matic Rolls
- Coreless Rolls
- Lottery Game Rolls
- Utility Bill Rolls
- Plotter Paper Rolls
- Copy Paper Rolls
- Medical Paper Rolls
- Tachograph Rolls

Production Capability

- 13 converting machine lines
- 4 colour flexo printing
- 8 colour offset printing
- 25.000 tons annual capacity

Features & Benefits

- Bisphenol-free and phenol-free thermal rolls
- Customized design and application
- 7-10 years durability depending on correct storage conditions for thermal papers
- FSC & PEFC certificates
- High capacity production
- Fast delivery
- Coreless production
- Automatic and durable packaging
- +50 export countries and customer-oriented production globally

THERMAL LABEL

The best quality label production with annual **12.000.000 m²** ton paper finishing capacity & Production with Eco Thermal, Top Thermal and Coated Paper

Products

- Scale Label
- Shipment / Logistics / Warehousing Labels
- Z-Folded Thermal Label
- Eco Thermal Acrylic/Hotmelt
- Food & Textile Retail Labels

Production Capability

- 12.000.000 m²/Year Paper Processing Capacity
- Fully Automatic 52 cm Wide Winding Machine
- 3 Color Flexo Printing Machine
- Standard and customized sizes

Features & Benefits

- Safety & Durability
- Cost Efficient Labelling
- Easy to use & High quality printing
- Quality control tags, safety warnings for industrial usage
- Shipping labels, pallet tags for logistic usage

We use recycled paper that doesn't contain BPA and BPS.

CARDBOARD BOXES

High quality and fast printing capability with wide range of machinery and monthly **2.000 ton production** capacity

We are printing cardboard boxes from 160gsm to 450gsm with our latest technology offset printing and folding machines.

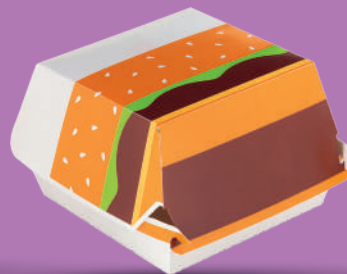

With the FSC and PEFC certificate, we ensure the protection of forests for future generations.

Printing
up to
8
colour

CARDBOARD BOXES

Products

- Pharmaceutical Boxes
- Food Boxes
- Hamburger Boxes
- Cosmetic Boxes
- Cardboard Displays
- Horeca Boxes

Production Capability

- Ability to print up to 8 colors
- 5 offset printing machines
- Heidelberg Prinect Image Control System
- 160 gsm - 450 gsm cardboard printing
- 7/24 production

Features & Benefits

- 2000 tons of monthly production capacity
- Customized products with a wide range of raw material options
- Delivery network all over Turkey and abroad
- FSC - PEFC & BRC Certified production
- Expertised and experienced service

Paper Types

- Bristol
- Ivory Board
- SBB / SBS Board
- Dublex Cardboard / Chromo Board

WRAP PAPERS TRAY LINERS

Products

- Tray Liners
- Grease Proof Paper
- Packaging Paper
- Wrapping Paper

Production Capability

- Up to 8 colour of printing ability
- 5 offset printing machines
- Heidelberg Prinect Image Control System
- 2.000 tonnes monthly capacity

Features & Benefits

- Wide range of products with alternative raw materials
- Coated Paper 48-90 gsm & Wood free 60-120 gsm
- Kraft(White, Brown) 70,80,90,100,110,120 gsm
- Serving our customers with high-capacity printing machines and expert staff

CONTINUOUS FORM

12.000 tons annual paper converting capacity
with more than 30 machines

Printing
up to
8
colour

Products

- Invoice
- Consignment Note
- Retail Sales Receipt
- Insurance Policy
- Payroll
- Boarding Passes
- Gift Certificates
- Warehouse Delivery Receipt
- Ordering Pad
- Prescription
