

GUTMANN DA 17

The new design cover for window sills ensures a clean, modern appearance during window sill installation – suitable for both new construction and renovation projects.

Quick to install. Perfectly integrated.

- Wide range of colours for individual design options
- Conceals screws and elongated slots
- Smooth transition between window and window sill
- Easy installation: simply cut and clip onto the holder – no extra tools required
- Suitable for longer window sills with the matching connector
- Immediately available in four attractive finishes
