Subject: Presentation of Openland Tactical SRL

Dear Sirs,

We are excited to introduce you to **Openland Tactical SRL**, a leading company in the military equipment and accessories sector, founded in 2016. Our mission is to analyze and respond to market needs, always ensuring high standards of quality, efficiency and timeliness.

Vision and Values

- **Quality:** We are committed to offering excellent products, supported by attentive and helpful customer service. Satisfaction customer satisfaction is our top priority.
- **Efficiency:** We aim to satisfy every request quickly and accurately, maintaining high standards of service at every stage of the process.
- **Timing:** We ensure on-time deliveries to build long-lasting trusting relationships with our business partners.

Core Business

Our core business focuses on the marketing of a wide range of military equipment and accessories, including:

- Technical clothing
- Amphibians and specialist footwear
- Tactical accessories
- Bags and backpacks
- Accessory products for professional and tactical use

Target Customers

We serve a wide range of clients, including:

- Shops specializing in the military and outdoor sector

Awards and Certifications

Openland Tactical SRL boasts the ISO 9001:2015 Certification and we are recognized by the Ministry of Defense as NATO suppliers with the NCAGE code AQ131. In 2023, we obtained the RNI code 00984, which further strengthens our credibility in the sector. Our active presence on MEPA is evidence of our commitment to meeting the needs of different categories through successful supplies over the years.

Innovation and Development

Over the past two years, we have been dedicated to the research and development of ballistic plates under our own brand, **2.63**, producing Level 3 ZERO TRAUMA certified products to the market. We are currently in the process of being certified for **Level 4 ZERO TRAUMA**, demonstrating our continued innovation.

Openland Tactical is committed to maintaining an always updated offer, in line with market dynamics and the needs of our customers. Thanks to our B2B dedicated to retailers and our two warehouses, we are able to quickly satisfy all requests from institutions and retailers.

Conclusion

We hope that Openland Tactical SRL can become your trusted partner for growth and development of solid and long-lasting business relationships. We are ready to face new challenges and collaborate for mutual success.

Best regards,

Openland Tactical SRL
