

# RESTAR FRAMOS

TECHNOLOGIES

## About:

RESTAR FRAMOS Technologies GmbH, based in Munich/Germany, is an innovative semiconductor distributor providing strong technical expertise, global logistics, and reliable support. Led by seasoned industry experts, we offer tailored customer service and high-quality components from leading Asian manufacturers with excellent availability and competitive pricing.

Our field sales and application engineers are all qualified electrical engineers, enabling fast, project-specific solutions and short time-to-market. Focused on the European market, we supply industrial- and automotive-grade components with long-term availability.

RESTAR FRAMOS Technologies is fully ISO 9001 certified and serves a broad range of major European customers across industrial, consumer, and automotive sectors.

## ACTIVES

### POWER MANAGEMENT ICS

#### RICHTEK

- Linear Regulators (LDO)
- Switching Regulators
- Vcore
- Battery Management ICs
- MOSFET Driver ICs
- Power Management ICs (PMIC)
- Audio Amplifiers

#### E-PEAS

- Photovoltaic Energy Harvesting Power Management ICs
- Thermal Energy Harvesting Power Management ICs
- Vibration Energy Harvesting Power Management ICs
- RF Energy Harvesting Power Management ICs
- RF Energy Harvesting Antennas
- Ultra Low Power 32 bit ARM MCUs
- Virtual Antenna / SMD Antenna

#### LEAD POWER SEMI

##### MOSFETs

### POWER SUPPLIES

#### TDK LAMBDA

- Standard Power Supplies
- Programmable Power Supplies
- DC/DC Power Converter Modules

### MULTIMEDIA INTERFACING AND CONVERTER IC

#### LONTIUM

- DP/HDMI-to-MIPI Converter ICs
- MIPI-to-LVDS/DP/HDMI Converter ICs
- USB Type-C/DP-to-HDMI Converter ICs
- LONTIUM
- HDMI Transmitters/Receiver ICs
- HDMI Transmitter/Receiver/Switch/Splitter ICs
- HDMI Crosspoint Switch ICs
- LCD Controller ICs with Scaler (4K/8k60)
- USB Extender ICs

### MEMORY ICS

#### NETSOL

- Asynchronous SRAMs
- MRAMs

#### FORESEE

- eMMC
- SPI NAND Flash
- SSD / microSSD
- LPDRAM

### SENSORS

#### SENISENS

- 3-Axis Hall Magnetic Sensors
- Magnetic Angle Sensors
- Current Sensors

### MICROCONTROLLER

#### NSING

- Cortex-M0 (STM32-compatible)
- Cortex-M4 (STM32-compatible)

### RF, WIRELESS, NAVIGATION

#### SONY

- Silicon Tuner and demodulator ICs
- GPS/GNSS ICs and modules

#### NEOWAY

- 2G/3G/4G/5G/NB-IoT/eMTC wireless modules

#### NSING

- BLE MCUs

### ANALOG ICS

#### GWANAK ANALOG

- Ultrasonic Sensor IC
- 12/18/24bit Ultra Fast A/D Converters
- Speech-to-Text/Command SoC
- Temperature / Humidity Sensor
- Multi-Sensor Signal Conditioning IC

### MOTOR CONTROL ICS

#### FORTIOR TECHNOLOGY

- Single / Three Phase ASIC Series
- MCU Series
- Driver IC Series
- MOSFET Series
- IPM IC Series

### IMAGING

#### SONY

- Global Shutter Image Sensors
- Rolling Shutter Image Sensors
- SWIR/ToF/Event-based Image Sensors
- Multispectral Image Sensors
- FRAMOS Image Sensor Modules / FSM:GO
- SLVC-EC IP for FPGAs
- Micro-OLEDs

#### CENTURY ARKS

- HD/4K Camera Modules

#### INDIE SEMICONDUCTOR

- Camera Video Processors

#### SONIX

- Image Sensor Processors (ISP) with USB

### PASSIVES

#### HONGDA

- MLCCs
- Tantalum Capacitors
- Chip Inductors and Bead
- SMD Resistors

#### CAPXON

- Electrolytic Capacitors

#### WTL CRYSTALS

- Quartz Crystals
- Crystal Oscillators
- VCXO / TCXO / VCTCXO / OXCO
