About PoPo Cat Litter

At PoPo Cat Litter, we believe your cats deserve the best.

Frustrated by the heavy dust, artificial fragrances, and lingering odors found in many traditional products, our team decided to create a better solution.

We partnered with an Emeritus Professor from National Taiwan University (NTU) to develop the ultimate solution. The result is a 100% natural, incredibly safe, and scientifically formulated tapioca cat litter.

Our Commitment to Sustainability & Quality

Beyond feline health, we care about our planet. Our tapioca cat litter is 100% biodegradable and eco-friendly. Moreover, producing at our own facility in Taiwan allows us to ensure the consistently premium quality.

Expertly made in Taiwan to protect your feline family — and the Earth.
