

ROOM SCENTS ODORS BE GONE!

Musty smell, wet fur or just a fresh scent in the air? The innovative „Pet Odor Therapy“ room scents neutralize odors without masking them. The room sprays with natural essences can be used in all rooms, in cars and even on textiles, for a guaranteed soothing environment with – but also without – your pet!

The Home Sprays neutralize pet odors with immediate effect – perfect as a room and textile spray as well as for use in the car.

TOYS PLAYING INSTEAD OF BRUSHING!

For socialisation, mood and health, dogs need to play. That's why LABONI offers a colourful variety of handmade toys made of ecological and washable tooth-care cotton rope, for better oral hygiene and more fun.

The handmade **TOYS** made from pure cotton fibre satisfy the need to chew while playfully cleaning the teeth.

FEEDER BOWL DRINK MORE!

Purely natural feeder bowl ROCKY is made of billion-year-old soapstone. ROCKY encourages to drink and has a unique cooling effect. Stable & indestructible, antibacterial & food-safe,

Feeder bowl „Rocky“ – German Design Award Winner 2019.

WHAT LABONI STANDS FOR

LABONI stands for an exclusive range of beautiful things that make the lives of owners and their beloved companions practically better and sensually more beautiful!

Dog beds with lounge character, handmade bowls with a cooling effect, dog toys made of tooth-care cotton rope or odor-neutralising home and textile fragrances with a feelgood factor - the trademarks of LABONI are functionality, design and maximum comfort paired with an elegant sense of humour and a special feeling for what really brings joy to dogs and owners alike.

For this LABONI has been awarded several national and international design awards.

„When you immerse yourself in the wonderful world of LABONI for a while, you want two things. To buy something. And if you don’t already have one – a dog.“
