

End of Line Packaging

Advantra® Earthic™ 9370

Near carbon neutral¹ case and carton adhesive

Reduce the environmental impact of your packaging by using a near carbon neutral case and carton adhesive containing a high share of fossil-free, sustainable raw materials. Advantra® Earthic™ 9370 delivers a robust bonding performance demanded by today's Consumer Goods Producers and enables paper and board recycling in the repulping process.

Sustainability Benefits

- Enables sustainability improvements by reducing the carbon footprint of packaging
 - Saves 276 tons of CO₂ emissions per year based on typical adhesive consumption of 100 tons
 - Equates to typical car journey of 1,138,673 kilometers² or around the earth's equator over 28 times
- Contributes to the replacement of fossil-fuel resources by renewable feedstocks
- Production in an ISCC Plus certified facility

Production Benefits

- Excellent balance of adhesion and cohesion to ensure production lines consistently run at current speeds
- Strong bonding performance on a variety of typical board qualities maintained in package use temperatures from fridge to +60°C

Application Suitability	
Case	●
Wrap Around	●
Carton / Folding Box	●
Tray	●
Vaccum Feedable	●
Food Contact Approved	●

Typical Properties	
Open Time	Medium
Setting Time	Medium
Application Temperature	160 - 180°C
Viscosity	910 mPas @ 175°C
Colour	Pale yellow
