CYOUTDOORS

IMPORT & EXPORT CO., LTD

Cynthia Outdoors Products Co., Ltd is a company with industry and trade enterprise specialized in the research & development, production and sales of hunting products and security products. We also has a professional technical R&D team, an efficient and rigorous service team and strict quality system standards.

We specializes in the production of bulletproof vests, bulletproof insert plates, bulletproof helmets, tactical vests, tactical backpack and other related security products. All products can meet with the GA141 armor standard, NIJ armor standard, GOST armor standard, TR armor standard, HOSDB armor standard, and etc.

Our products are not only widely used in China's public security, armed police and judicial systems, but also exported to dozens of countries and regions including the United States, Germany, Mexico, etc.
