

What we do and what defines us.

Founded in 1949 by Bernhard Remmers, the Remmers Group, headquartered in Lönningen, is an independent and owner-managed family business to this day.

Passionate commitment, a cooperative relationship with customers, and cutting-edge products and services that continue to set standards: these are the defining features of Remmers that have made the company one of the leading specialists for construction chemical products, wood coatings and varnishes as well as industrial coatings. Following the guiding principle of “We get it done!”, around 1,600 highly qualified specialists in 19 countries work together every day to bring the work, projects, ideas and visions of customers and partners to the finish line. Personal, committed, hands-on, progressive – and always down-to-earth and reliable.
