MAKING FUTURE REALITY

VPS NEXT: UNMATCHED LIGHTNESS, LEADING ACCURACY AND ASTOUNDING EASE OF USE

VPS NEXT SMART GLASSES DELIVER HIGHEST EYE TRACKING ACCURACY AND ROBUSTNESS. AT THE SAME TIME, THEY OFFER EXCELLENT FRONT CAMERA QUALITY & RESOLUTION AND ARE IDEAL FOR TRAINING, REMOTE SUPPORT, DOCUMENTATION, OR RESEARCH.

EXTREMELY PRACTICAL

The intuitive multi-mode capture button allows for easy handling – even in motion or while wearing gloves. Power-efficient activation makes sure the glasses only run when in use.

YOUR TEAM WILL ENJOY THE COMFORT OF AN INCREDIBLY LIGHTWEIGHT SYSTEM:

Just 38g for the glasses plus the 95g computing companion VPS Lite Unit, which can be worn on the helmet, arm, or belt – or simply carried in a pocket.

3-IN-1 FLEXIBILITY:

One smart design, up to three configurations: VPS Next adapts to your needs.

- **FOR A GREATER DIVERSITY OF TASKS AND WEARERS**
- **WHETHER AS FULL-FRAME, HALF-FRAME, OR LENS-FREE MODEL**
- **ENSURES A COMFORTABLE, SECURE FIT**
