COMPANY PROFILE

1993 / 2021

Wharney Daily Chemical Co.,Ltd was founded in 1993, is one of the earliest sanitary manufacture companies.

We introduced many advanced production pipe linings from Italy and Japan. Our products are very popular in Southeast Asia, North America, South Africa and other regions and countries.

Our products include:

- 1) Pet diapers
- 2) Pet pads
- 3) Pet wipes
- 4) Pick-up bag
- 5) Cat litter

We take the principle of "Unit and Cooperation, Service and innovation, Credit the First, Continuous Management". Along with rapid development, our company adjusts product structure to the market change while adopting internationally advanced technique and equipment. In order to ensure the high quality, we established a strict quality supervision system and acquired the certificate of ISO9001 quality management system.
