HORSES

HOOF BALM

Hoof balm with Clever Fungus *Pythium oligandrum* helps to improve hoof resistance. It helps keep hooves nourished and prevents cracking and dryness. Beeswax protects the hoof and *Pythium oligandrum* is beneficial for fungal infection and hoof rot. It also contains Laurel oil, which softens and deeply nourishes the hoof horn.

The product is intended for horses.

Apply a generous layer of the balm to a clean hoof and frog. The balm is intended for dry, brittle, or damaged hooves, as well as hooves affected by thrush. It can also be used on areas with mud fever. Regular use helps reduce the risk of recurring problems.

Instructions for use:

1. First, clean the hoof well.
2. Then apply enough balm to cover the whole hoof and frog.

,When problem occurs, use the balm once a day.

For regular care, use once a week.

If your horse has hoof rot, we recommend using the balm together with **Clever Fungus Ecosin**.

Warning:

VETERINARY PRODUCT - FOR ANIMALS ONLY!
Keep out of sight and reach of children.
