# Nomad® Color Accessories

"Nomad 360 Light -- We just received ours and we were able to set up and familiarize ourselves with the features. So far we are extremely happy with this product. Jason, our rep was amazing to work with and I have a ton of confidence this light is going to help 'illuminate' our hard work at our crime scenes."

Angela K.

Color Accessories can be used to help mark key locations and identify places of significance such as parking areas, entrances and exits, command posts, staging zones, or triage areas.
