

The background of the slide features three soldiers in full combat gear, including helmets with night vision and tactical vests, standing in a misty forest. The lighting is dim, creating a serious and focused atmosphere. The text is overlaid on this scene.

Welcome to CLO

Virtual Prototyping for Mission-Ready Design

CLO Virtual Fashion

3D Market Leader: Est. 2009, + 450 Employees, 15 Offices Worldwide

Unlock the Potential of CLO

What can you achieve
with CLO's Ecosystem?

Speed Up Development. Cut 90% of your physical samples.

Experience rapid prototyping, design iteration, and immediate visualization.

Improve Fit Consistency. Reduce return rate costs by 20%.

Improve customer trust with standardize charts and grading.

Cost Reduction

Get rid of useless physical samples rounds.

Cut physical sample, leverage 3D asset for your MKT purpose!

Enhanced Collaboration.

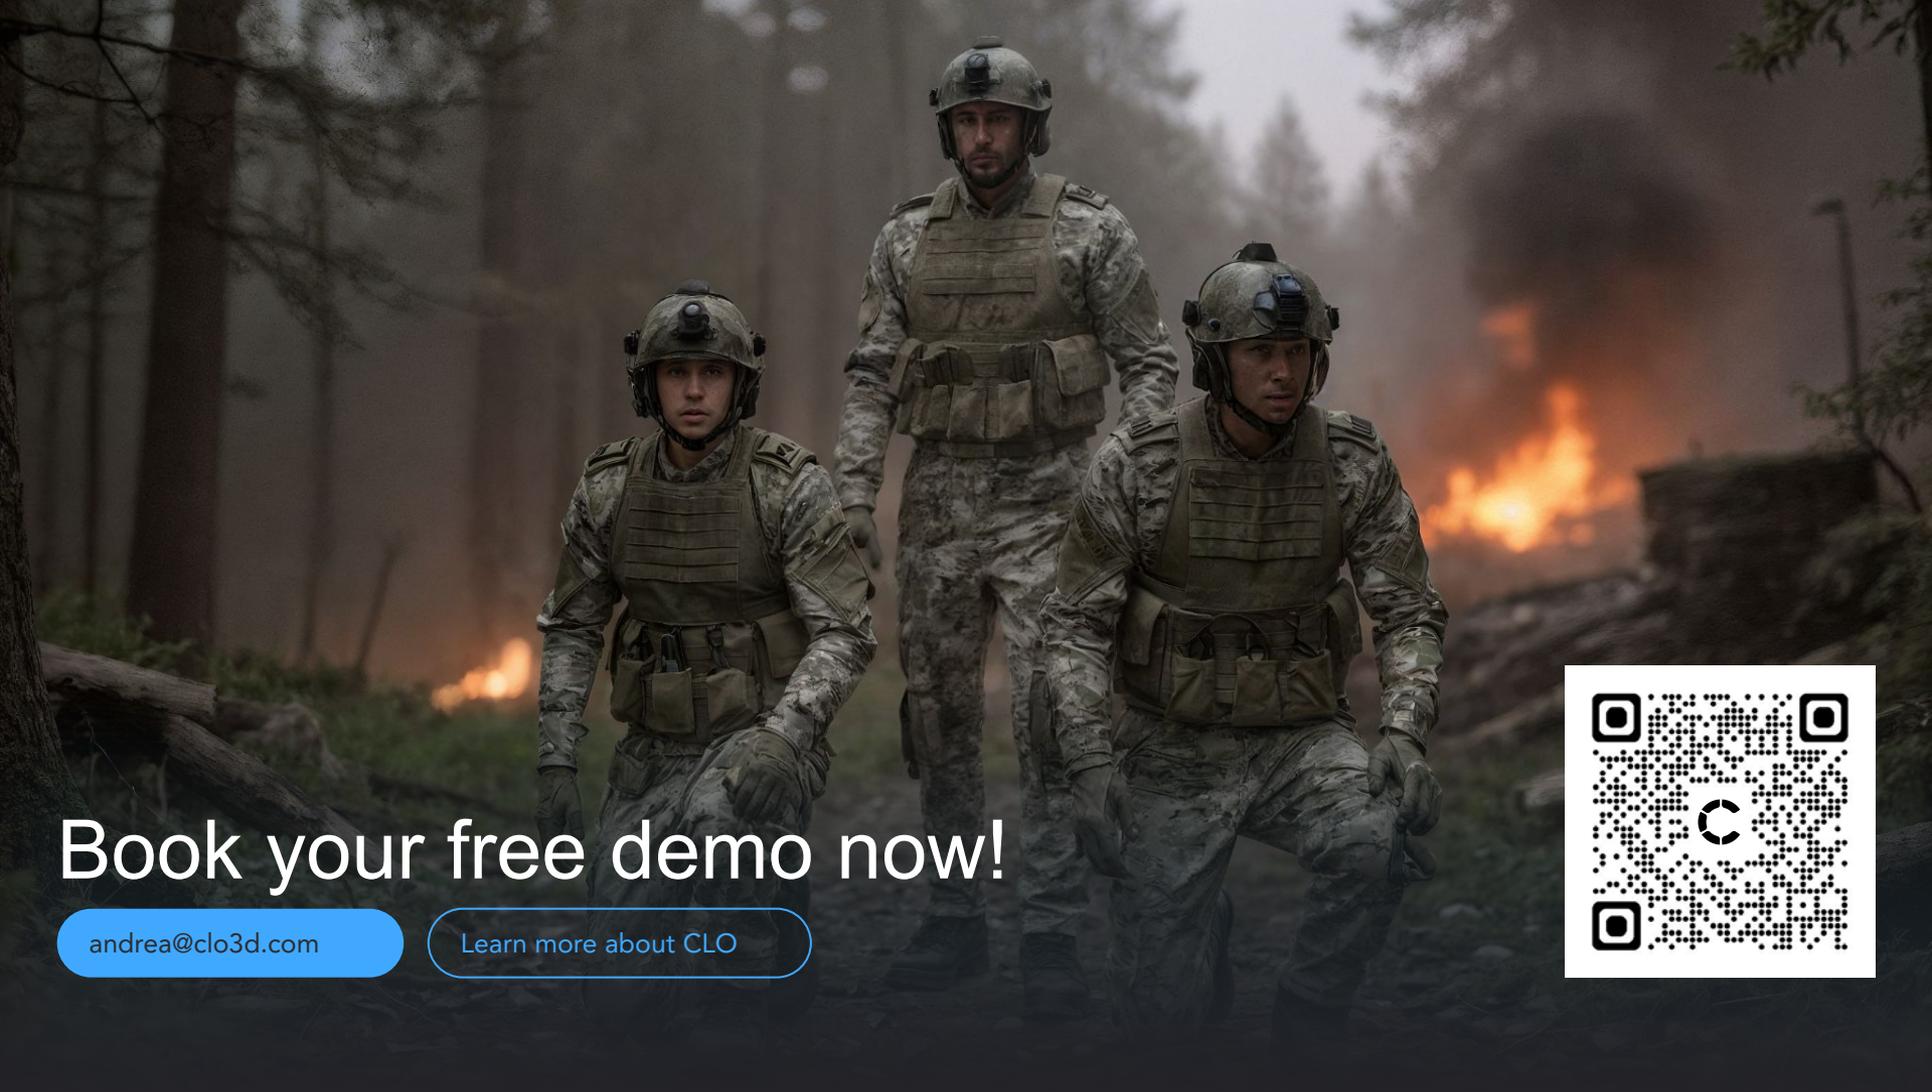

Hyper efficient real time process.

Internal and external partners connected in a faster, more transparent, and more collaborative workflow!

Create fast colorways mixing hard and soft components.

The background image shows three soldiers in full tactical gear, including helmets with night vision and vests, standing in a forest. In the background, there is a fire burning, suggesting a combat or training scenario. The overall tone is serious and professional.
