

Laboratoire Bodmer et Fils

High Quality Pet Cosmetics from France

Some History

- LBF is the **oldest French manufacturer of pet cosmetics for professionals**, a family owned business since 1981.
- We offer a wide range of grooming and hygiene products for **all breeds of dogs, cats and exotic pets as well as horses**, and products are distributed worldwide
- LBF **designs, develops and produces in its own laboratory** high performance products to embellish our four-legged friends, to respond to special requests and to treat each specific problem.
- LBF has chosen for you **a modern and very trendy packaging**. The instructions for use are provided in **4 languages** to satisfy our international customers.
- LBF is committed to the protection of the planet: **all packagings are recyclable** and the brand uses **natural and/or organic active ingredients** (jojoba oil, cade oil, sweet almond oil, wheat germs...).
- All LBF products are of **unbeatable quality**, and can be found in grooming salons, at breeders, veterinarians, pharmacists and on our websites [Ladybel](#) and [Equibel](#)
- LADYBEL® brand is well-known and famous both with amateurs and professionals as

« THE REFERENCE IN ANIMAL COSMETICS »

LBF
FRANCE

A large group of domestic animals, including dogs and cats, of various breeds and sizes, posed together against a plain white background. The animals are arranged in two rows. The back row features several dogs: a black and tan dog, a grey dog with a red collar, a black and white speckled dog, and a blue merle dog with its tongue out. The front row includes a tabby cat, a long-haired light brown dog, a black and white dog, three small orange and white kittens, a small black and white dog, a small grey dog, a pug, a tabby cat, a large floppy-eared dog, a small white and brown dog, and a small brown dog.
