Specialists in premium suet bird products for over 30 years

We partner with retailers and businesses to bring wild bird care brands to life. From high-quality suet formulations, flexible packaging options and bespoke artwork, we can provide everything you need to create a trusted, standout range.

With our expertise and support we help you deliver trusted wild bird care your customers will return to again and again.

Your Brand

Choose from standard or custom formulations and flavours made with high quality ingredients.

Standard formulations include meat free & British Beef Fat recipes and a range of flavours including Insect, Berry, Mealworm, Peanut & Hot Pepper.

- ✔ Market leaders within the Suet industry
- ✔ Providing premium products while still maintaining exceptional value for money
- ✔ High levels of bird acceptance meaning happy customers and repeat business
- ✔ A loyal customer base and an excellent reputation
- ✔ A consistent world-class service to our customers
- ✔ Trusted private label supplier to a number of companies including the RSPB

Sustainable packaging formats

We offer a full range of packaging formats including reusable suet store tubs, plastic free paper packaging, flow wrap, vacuum pack & boxes all with labels or full colour print options.

Bespoke design to help your brand really take flight

We offer full support in creating bespoke artwork for your wild bird products, our team can help bring your brand vision to life. Whether you already have a design in mind or need guidance from scratch, we ensure your packaging is eye-catching, professional, and consistent with your brand identity - helping your products to capture attention on the shelf and connect with your customers.

Birds know when it's...

No carbonate
or cheap fillers!

NOT JUST ANOTHER FAT BALL...

Ingredients you'd
serve in your home,
feeding the life in
your garden.

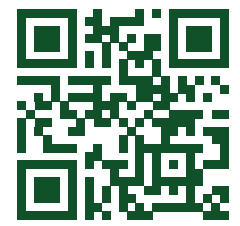

Happy birds make happy customers—and our suet does both. Proudly made in the UK with ingredients fit for your own family, every bite is packed with the taste birds love and the energy they need to thrive.

- 🍴 Highly Palatable
- ♻️ Plastic Free Packaging
- 🌿 No fillers or carbonate
- 💧 High quality fats & oils
- 🇬🇧 Made in the UK
- 🕒 Feed all year round
