

Maserin®

Coltellerie in Maniago dal 1960

# Knife makers since 1960

---

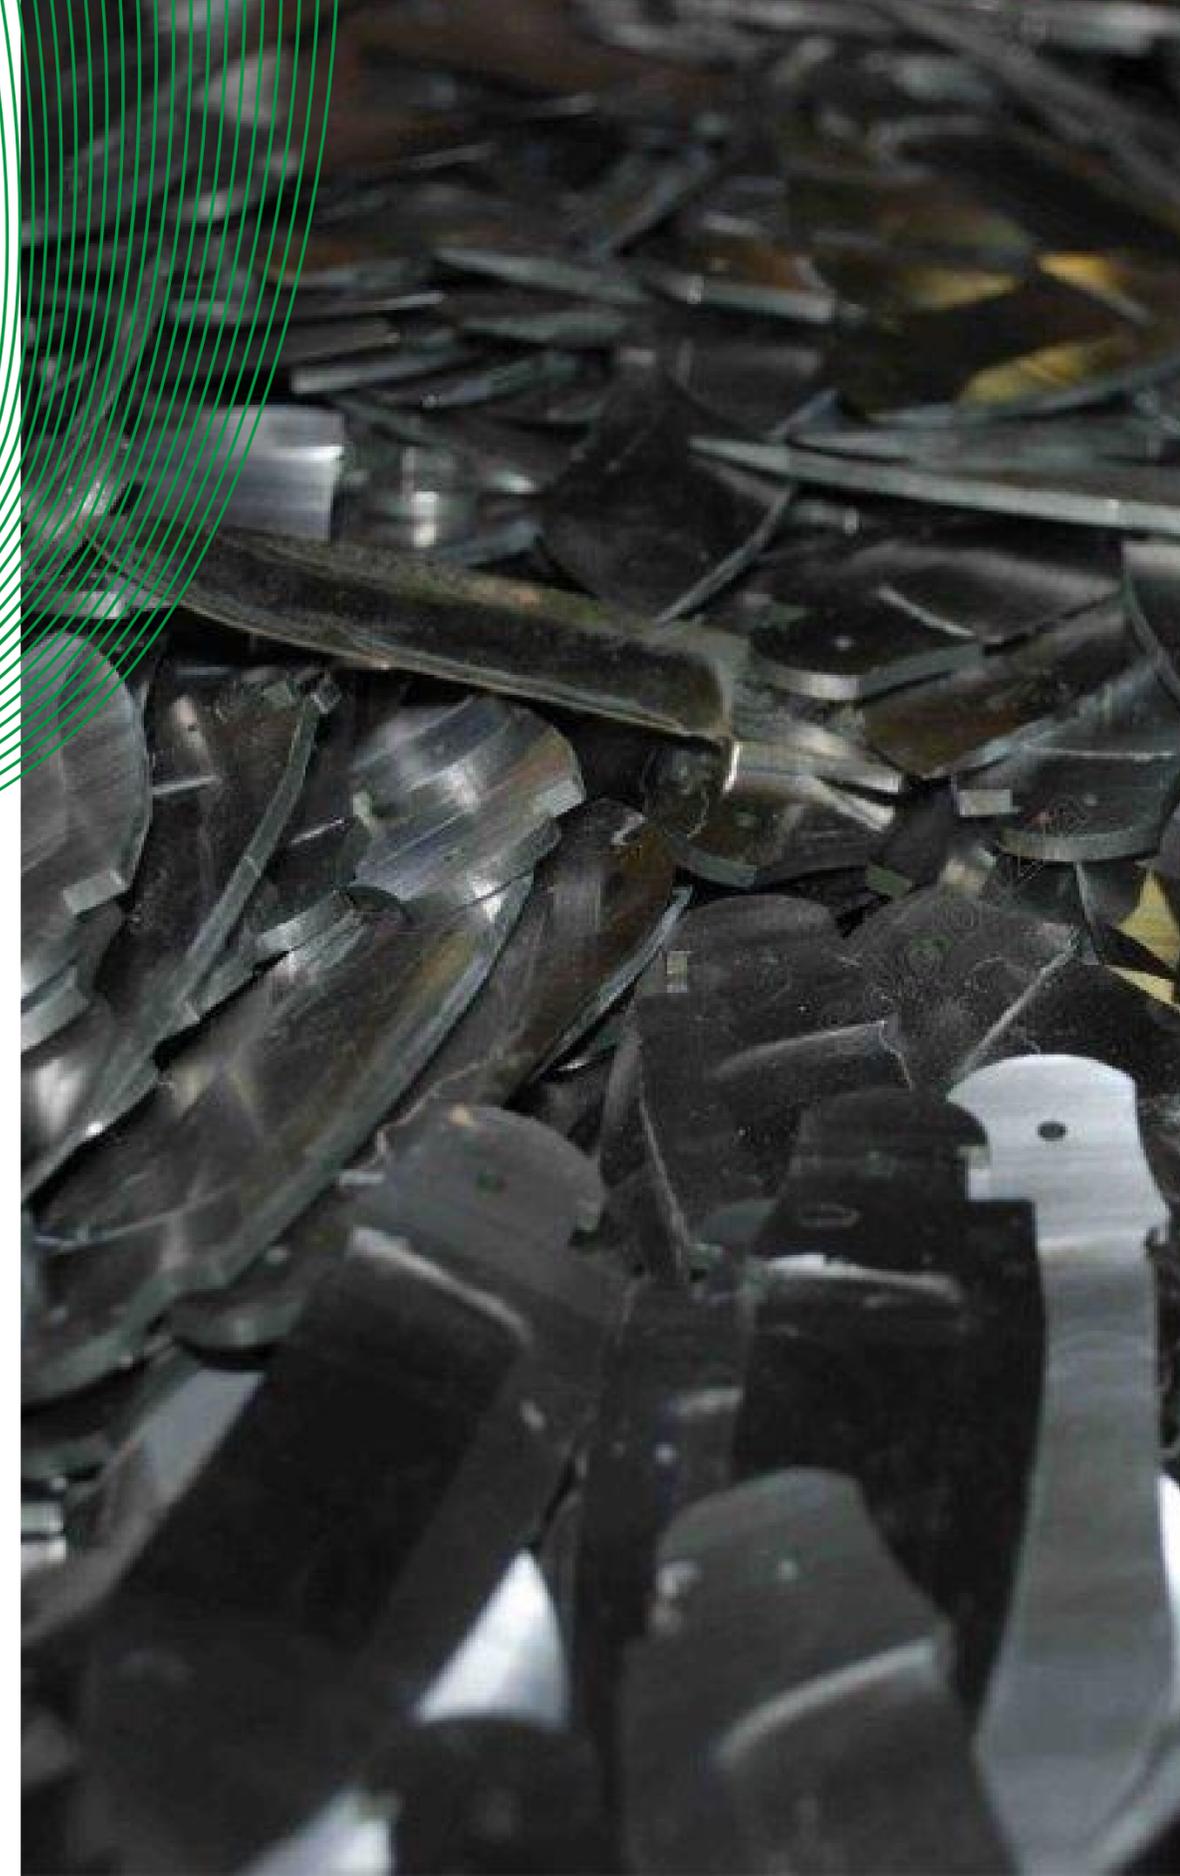

A passion handed down  
from generation to  
generation

For over 60 years we have been producing knives, combining the love and dedication inherited from our artisan soul, with innovation in the technological field for processing and study of materials.

# Attention to detail

We follow every step of the realization of our knives starting from the first drawing up to the packaging. Our brand is a symbol of **Made in Italy**.
