PURE NATURE

CATS COMPLETE MEAL

Formulated to meet all AAFCO standards for a complete meal, our products are made with prime proteins and the right mix of vitamins and minerals. Six different flavors provide a great variety that your cat or kitten will adore.

PURE NATURE

DOGS COMPLETE MEAL

Prime proteins plus vegetables make a delicious alternative for your dog on any stage of their life. Our products meet all AAFCO standards for a complete meal, while providing a variety of flavors that will have your pet wagging their tail for more.

PURE NATURE

SNACKS & KIBBLE

Our Snacks are unique in their formulation with prime protein cuts, complemented with innovative local ingredients that will drive your pet crazy, either in training sessions or just when you want to pamper them with a delicious treat.

Our range of kibble meets high nutritional standards with a simple list of ingredients.

PURE NATURE

PET CARE

Our Pet Care line includes cat litter, soft wipes for pets or cats, a gentle shampoo formula and odor-capturing air freshener. This range of products will help keep your pet clean and happy while making their natural beauty glow.

PetFect

PetFect is a complete, balanced and delicious line of wet canned pet food. Meeting the highest industry standards from AAFCO, our products are made with quality proteins and nutritious ingredients, are grain-free and human-grade.

Make the perfect meal be a PetFect meal!

DISCOVER OUR PRODUCTS

Two Paws up is a new nutritional proposal for the complete nutrition of dogs and cats. Our product range is produced in a human-grade facility with the highest standards for wet food fabrication. Our proteins are first quality and are combined with unique and exotic ingredients from the Andes and Amazon regions of Latin America, creating a premium line with functional benefits for your pets.

Two Paws Up's teams of scientists, pet experts and chefs have created a product range that exceeds AAFCO's industry standards and brings an innovative premium offering that will ensure your pet's delight with their meals.
