

MEAT LOVERS

JUNIOR CHICKEN

Doggy dreams come true with the meat menu for puppies

Dreams come true — now also for our growing dogs! It's finally here: Meat Lovers Junior Menu Chicken 400 g. Meat Lovers for growing dogs from 6 weeks of age is naturally modelled on food for older dogs: plenty of delicious meat for maximum enjoyment. The menu in this case offers succulent chicken and duck with tasty potato.

Salmon oil supplies omega-3 fatty acids DHA and EPA to support the development of our young pups.

- Complete feed for growing dogs from 6 weeks old
- Packed with chicken and duck meat (60%)
- With tasty potato
- Free from artificial colourings, flavourings, and preservatives
- No added grain
- With salmon oil as a source of omega-3 fatty acids DHA and EPA
- 100% transparency: all animal-derived raw ingredients are listed

Feeding recommendation:

MEAT LOVERS

JUNIOR BEEF

Doggy dreams come true with the meat menu for puppies

So small — but already such great flavour! It's finally here: our Meat Lovers Junior Pure Beef 400 g for growing dogs. Mmm, it's everything a youngster could want. That's because the key ingredient in our Junior range is the one thing our furry friends adore: delicious meat!

Junior Pure Beef contains exclusively what it says on the tin: plenty of beef and fantastic flavour, and no artificial additives or grains. Suitable from 6 weeks of age, salmon oil also provides vital omega-3 fatty acids as our four-legged friends grow.

- Complete feed for growing dogs from 6 weeks old
- With lots of beef (61.5%)
- Free from artificial colourings, flavourings, and preservatives
- No added grain
- With salmon oil as a source of omega-3 fatty acids DHA and EPA
- 100% transparency: all animal-derived raw ingredients are listed
