Pengineer's Products for Your Pet's Healthy Lifestyle

Power of 100 Million
Bacillus Enzymes for
Gut Health and Immunity!

Petfidus Enzyme

60g \$20.50 / 120g \$37.50

TIME The Journey of Petfidus Enzyme
 Waiting for beans for 4320 hours
 Preparing for integrity for 48 hours
 Self-cultivating enzymes for 44 hours
 Low-temperature fermentation for 96 hours.

NATURE Using Certified Organic Soybeans
 We used certified organic beans from Yanggu, Gangwon, Korea, which can withstand a temperature difference of 71.5 degrees.

CARE Helps Pancreas and Gut Health
 It contains 15% of pancreatin enzymes that help with pancreatitis, reducing pancreatic enzyme secretion and aiding in pancreas and gut health.

Enzymes and 6 Probiotics in One
 Using the patented fermentation probiotic method (LF method), we have combined enzymes and probiotics in a single Petfidus package.
