

Our Story

Founded in 2002, Gooby was created after realizing that the pet industry at the time only focused on looks. We felt that wasn't enough. We wanted to create products that are functional and easy to use, to encourage a better quality of life between our fellow pet owners and their companions.

From our Escape Free functionality to our Choke Free X-Frame, our products are uniquely designed so that you can spend less time worrying and more time enjoying.

Care Guide

A gentle touch keeps it looking its best.

Step1 — Wash with Care

Best cared for with a gentle hand wash or cold cycle – stays fresh and ready for every adventure.

Step2 — Air Dry Naturally

Skip the dryer. Just hang it up or lay it flat to dry. The fabric dries quickly and keeps its shape beautifully.

Step3 — Ready to Go Again

Once dry, it's clean, fresh, and looks like new –every time. No shrinking, no fading, no fuss.
