

A close-up photograph of a person's hand holding a brown paper bag. The person is wearing a herringbone-patterned jacket. The background is dark with several out-of-focus, warm-toned circular lights, creating a bokeh effect. The text is overlaid on the right side of the image.

NOT JUST A PAPER BAG

**MADE FROM
AGRICULTURAL
WASTE**

“CARRY THE FUTURE WITH YOU”

Just a paper bag, right But is it? A paper carrier bag, simple as it is, can make a difference. It carries your customers products safely around, while contributing to nature and the preservation of our ecosystems.

PaperWise embraces the natural origins in which all kind of consumer goods deserve to be packaged and protected.

PaperWise Natural -unbleached pure paper is made from high-quality fibers sourced from stems and leaves left after the harvest of grains, rice, hemp or sugarcane. PaperWise turns agricultural waste into something beautiful and eco-friendly.

Contribute to a better world. PaperWise guarantees the **lowest environmental impact**: 47% lower than tree-based paper & board, 29% lower than recycled board and paper. PaperWise is **tree-free**, **CO₂-neutral** and **generates extra income for poor farmers**. Numerous certifications for **compostability**, **food safety**, **recyclability** ensure high quality.
