Inspired by the Mediterranean Style.**

Ideal nutrition to support your pet in an active,
healthy, and lifelong well-being lifestyle.

Manufactured in Portugal

Mediterranean style

COMPLETE FOOD FOR ALL PETS
GRAIN-FREE - 0% CEREALS

Did you know that the digestive system of dogs and cats is not naturally adapted to process raw cereals? Although they can digest cooked cereals, the introduction of this type of food can trigger reactions such as intolerances and food allergies.

That's why we have developed happyOne Mediterraneum, a grain-free option, specially formulated for those who choose a cereal-free diet or for animals with more sensitive systems.

To compensate for the absence of cereals, we have included other sources of carbohydrates more suitable for the digestive system of dogs and cats.

RECIPES DEVELOPED WITH

Fresh, Local, and High-Quality Ingredients

FRESH EGGS

Protein of high biological value and easy digestion. Eggs are rich in proteins, containing all essential amino acids in balanced concentrations.

FRESH POULTRY MEAT

A source of high-quality protein, easily digestible and appetizing.

FRESH LAMB MEAT

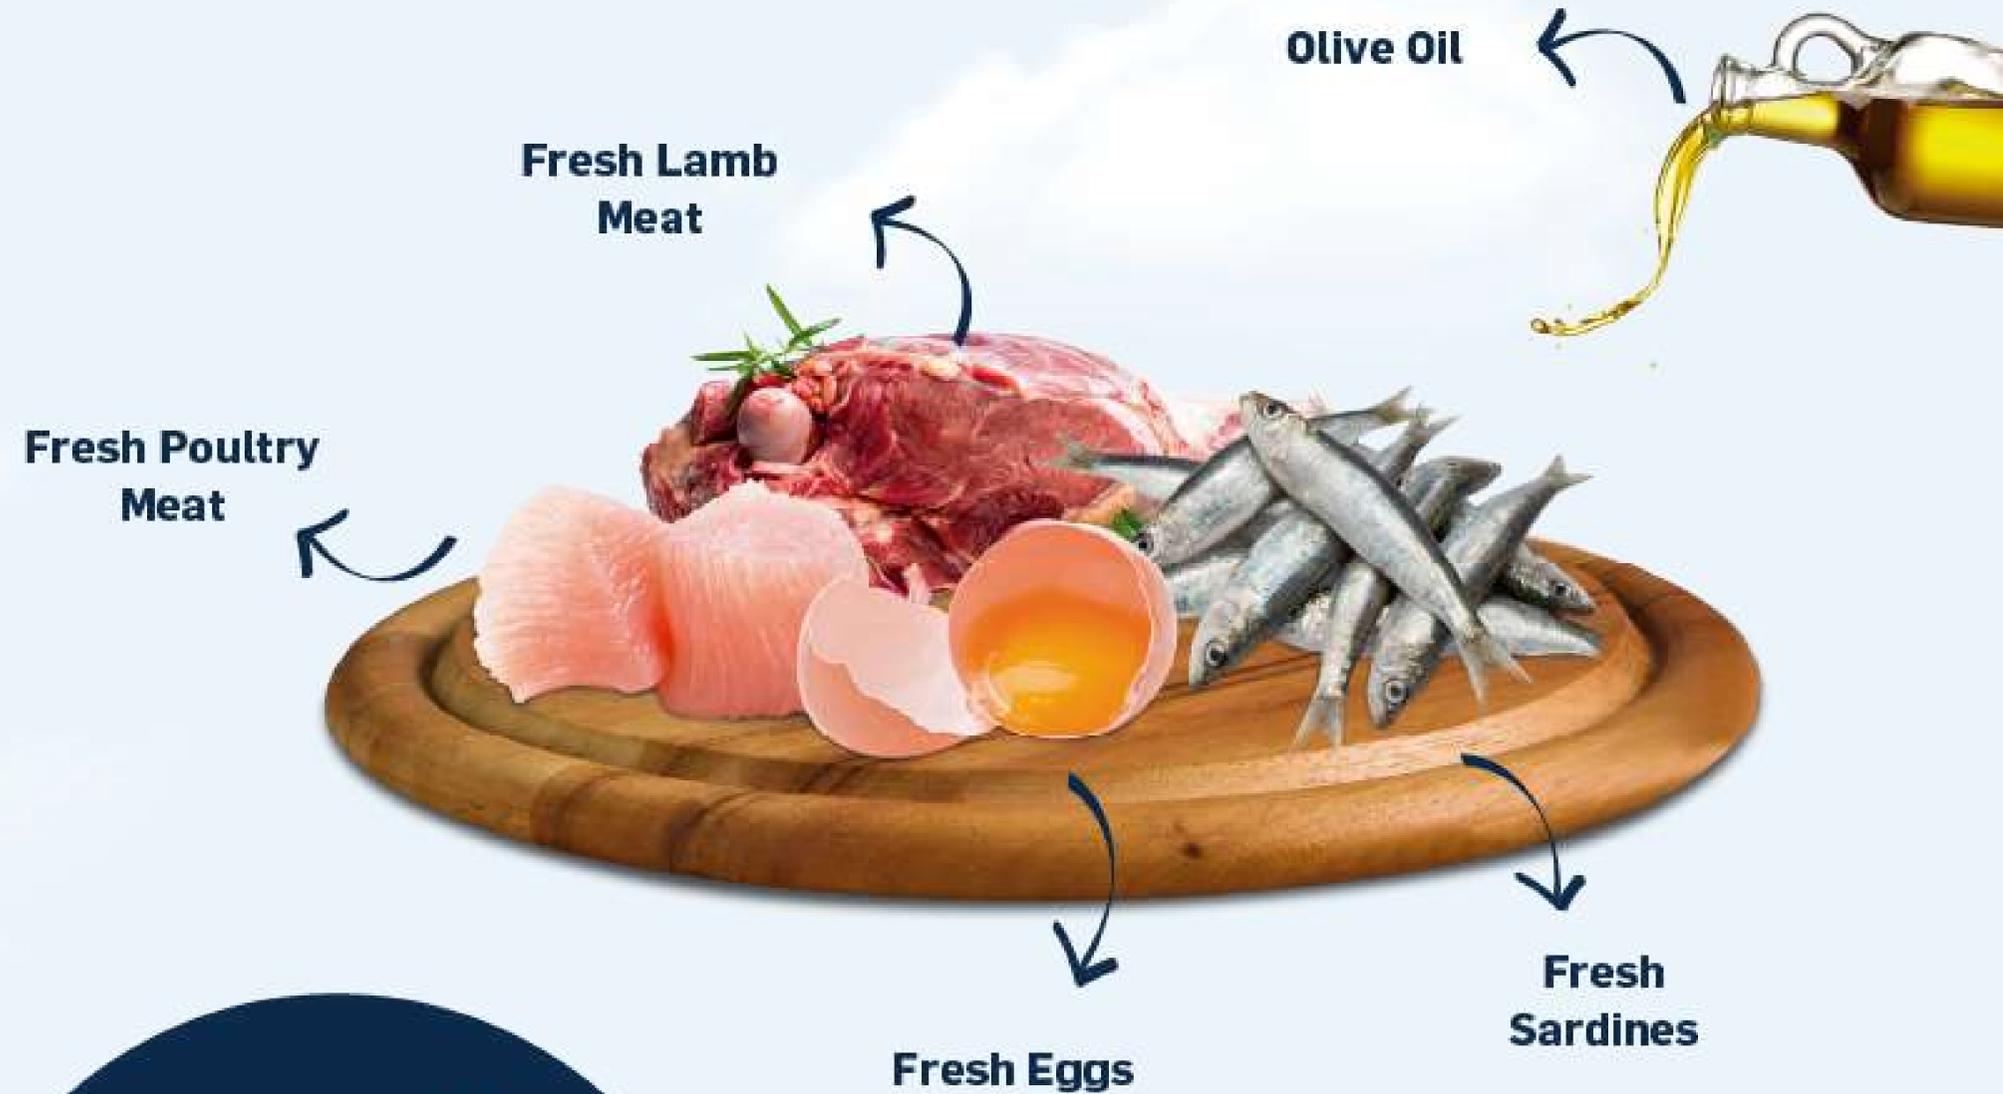

Lamb is a protein source with low allergenic potential. It is also a natural source of omega-3 with a fatty acid profile beneficial for skin and coat health.

FRESH SARDINES

Sardines are rich in omega-3 fatty acids (EPA and DHA). They contain various vitamins and minerals, such as phosphorus, an important mineral for bone formation and maintenance of bone health.

OLIVE OIL

Typically Portuguese, rich in tradition. Olive oil possesses excellent nutritional qualities, including vitamins and monounsaturated fatty acids. It is rich in antioxidants (phenols and tocopherols) that beneficially affect the cardiovascular system. It promotes healthy and beautiful fur and skin.

RECIPES DEVELOPED WITH

Fresh, Local, and High-Quality Ingredients

FRUITS AND VEGETABLES

In addition to the premium protein, we include fruits and vegetables: apple, tomato, carrot, pea, and sweet potato. These ingredients are sources of fiber, vitamins, and minerals.

ANTIOXIDANTS

They help support natural defense mechanisms. Natural antioxidants help protect the body from free radicals, preventing premature aging and promoting the immunity of dogs and cats.
