# Disc Golf

## | What is Disc Golf?

Disc Golf is a modern version of traditional golf - It takes less time, space and does not require expensive investments. Easy to learn, a natural and social spare-time activity. It can be played on mostly free public courses, or even in your own backyard.

## | Rules of disc golf?

Disc Golf is played like traditional “ball” golf, but with disc golf discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

# World leader in disc golf courses

DiscGolfPark is the most popular disc golf course concept in the world. This unique disc golf course concept was developed in 2005 based on the idea of building sports facilities in an environmentally friendly way.

Experienced staff, exceptional course design, and quality equipment make us the number one choice for our customers. Not only are we the best at what we do, but we make sure to stay true to our core values; naturality, versatility, and affordability.

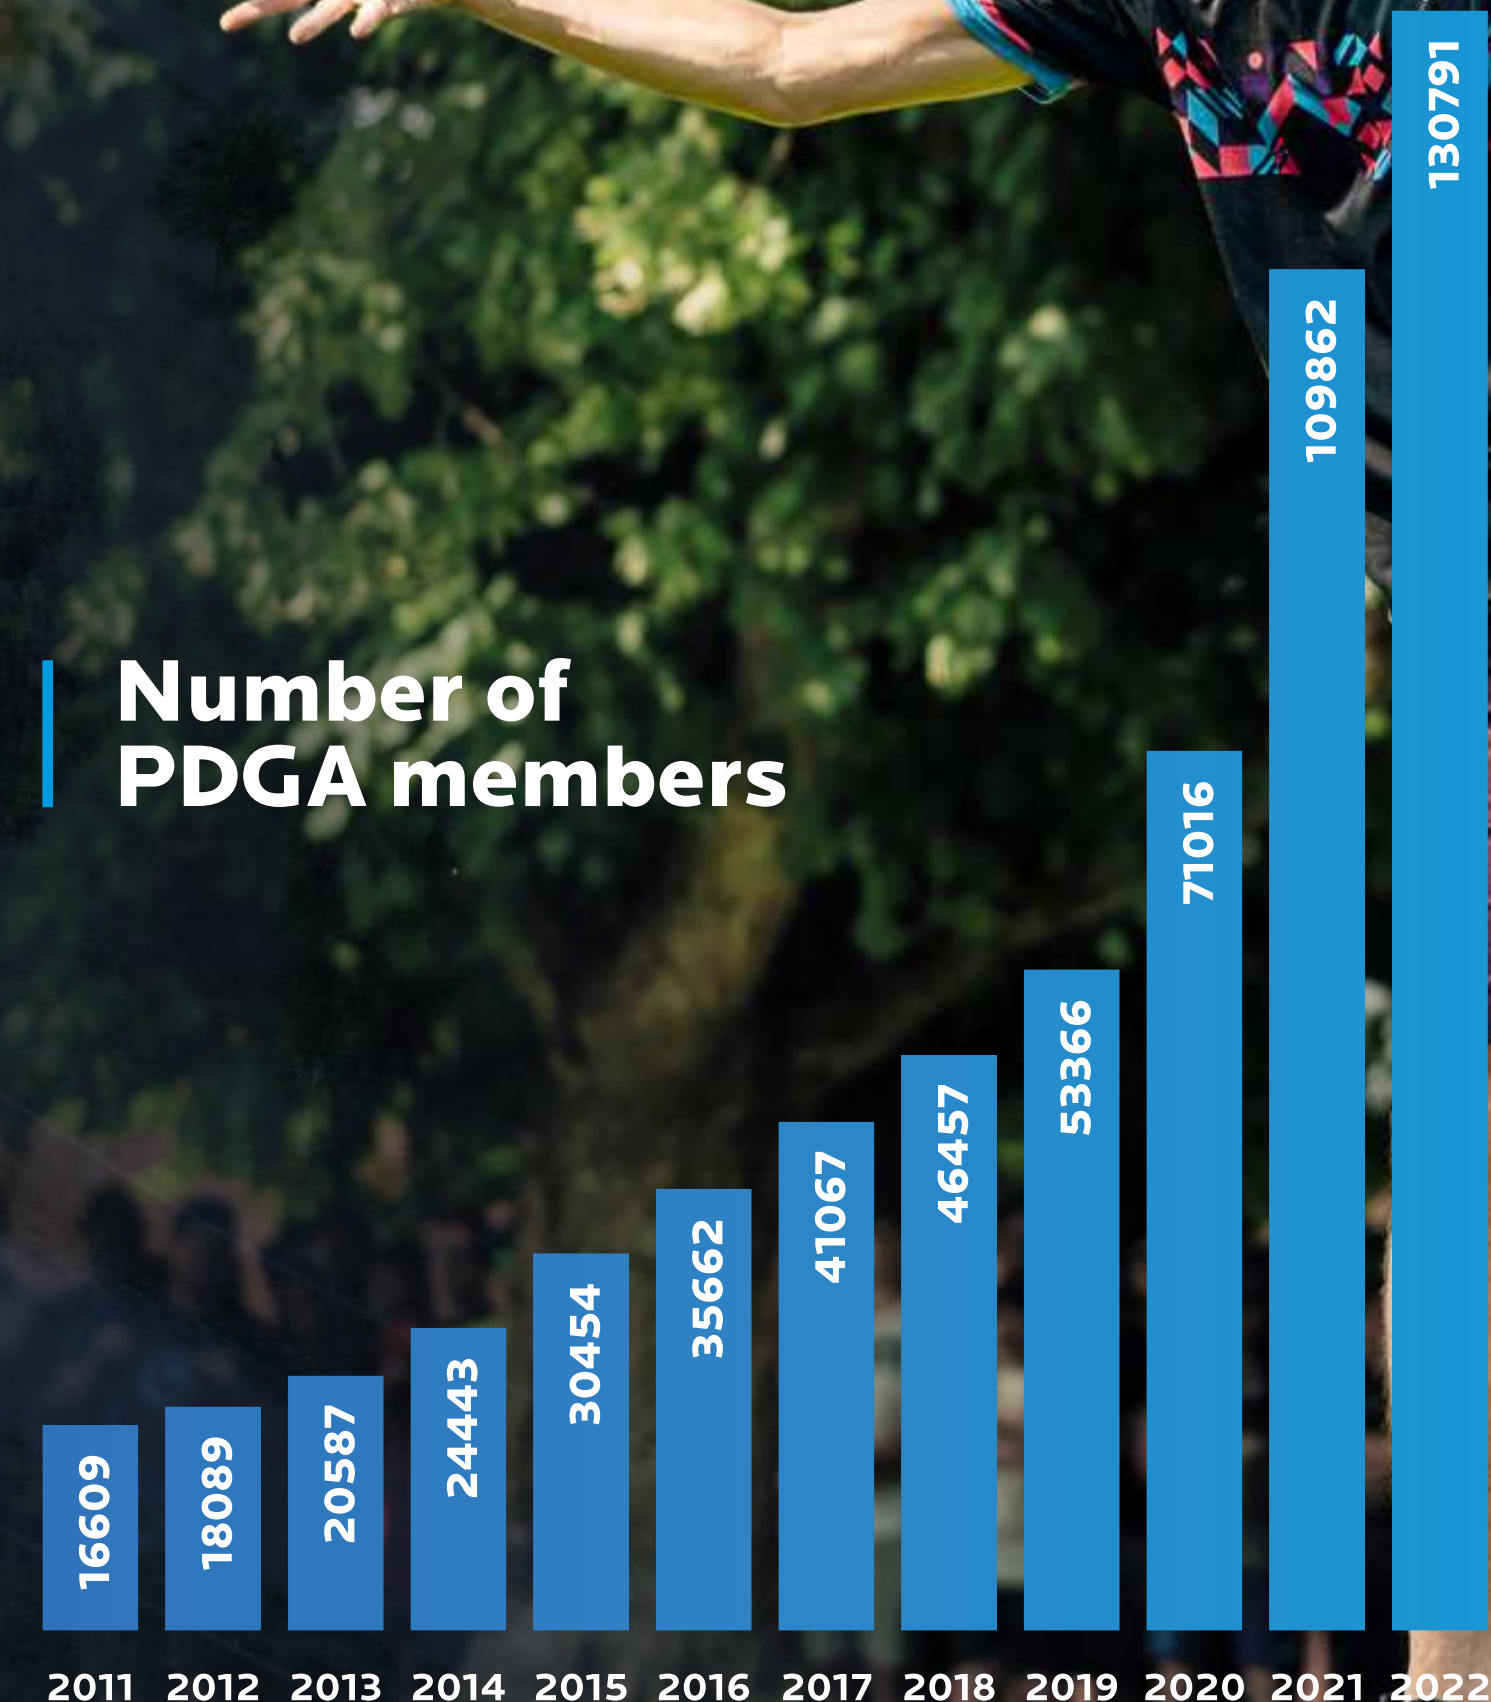

## Disc golf is growing fast

Disc golf is experiencing rapid growth in players due to its low cost, easy rules, and accessibility to all ages and abilities. Connecting with friends, nature, community, and self quickly makes disc golf a favorite pastime for players. Demand for courses has never been higher, and will continue to grow exponentially.

# Why DiscGolfPark?

- 1 Disc golf courses are inexpensive to acquire and build; a 9-hole disc golf course costs just a few thousand euros.
- 2 A disc golf course can be established practically anywhere.
- 3 Disc golf is suitable for all ages and both sexes.
- 4 A disc golf course gathers active club members, who are glad to maintain and develop the area voluntarily.
- 5 Disc golf is an inexpensive hobby – it only takes about 20-30 euros to get you started.
- 6 Areas that have suffered from vandalism, tend to get safer, through establishing a disc golf course in the area thanks to increased traffic.
- 7 A 9-hole disc golf course has a capacity of almost 50 players, whereas 18-hole course has a capacity of almost 100 players.
- 8 A good and challenging disc golf course flocks players from surrounding municipalities and cities.
- 9 A well-designed and maintained pay-to-play disc golf course in the right location will pay itself back in just a few years – sometimes even in months!
- 10 Disc golf can be a lifetime hobby!

# Different course types

DiscGolfPark has experience designing and installing courses on all terrains. Schools, municipal parks, woods, desert, mountains - disc golf is the most flexible sport to date.

## | Schools

Small 6-hole courses are great for introducing young players to the game. Getting kids away from screens has never been easier!

## | Parks

Public parks are perfect places for beginner and intermediate level courses ranging from 6 holes to 18 holes. Our expert designers make these accessible to beginners, yet fun for higher skilled players. These are favorites for after work, family outings, casual socializing, and quick practice rounds.

## | Destinations

Full courses anywhere from 18 to 27 holes are premier disc golf experiences. The expertise of our designers shine brightest in professional level courses which highlight the natural beauty of the terrain. Our large courses prove to be destinations, even attracting regular tourism.

# DiscGolfPark products

DiscGolfPark offers all the equipment necessary for your entire course. Our products allow players to enjoy the challenge of the sport without battling frustrations often associated with lesser equipment.

## | Targets

The target is the most important component of a disc golf course. We have put years of work into creating the best performing targets that last through even the harshest conditions.

## | TeePads

TeePad tees have a significant effect on the general impression and the usability of the course. Our turf mats look tidy and natural. In addition, they are durable and player-friendly.

## | InfoBoards

InfoBoards are essential to course navigation and welcoming players to your course. They can be customized according to your wishes, even including sponsorship logos.

# Unmatched quality

DiscGolfPark's world-class products are manufactured under strict guidelines to endure even the harshest weather conditions. With our equipment, you can rest assured your investment will last for years to come.

## | TeeSigns

Deluxe TeeSigns allow for detailed hole information; navigation, distance, key landmarks, and even sponsorship information. We also offer basic tee signs, which offer the necessities disc golfers expect.

## | Live Counter

The explosion of disc golf across the globe has caused high demand for courses. Our counters keep track, in real time, of how many people are using the course. That information is made available online for potential visitors, reducing crowding and increasing overall player safety.

## | Warranty

We grant a 10-year warranty to all steel bodies of our products and a 3-year warranty for DiscGolfPark® Target chains.

# World class installations

## European Open

The Beast is a diverse course, designed to challenge even the top pros on all aspects of disc golf. The beautiful scenery of Nokia, Finland has been the stage for six European Open events since 2011, European Championships in 2005 and Finnish Championships in 2012.

## Konopiste (Franz Ferdinand)

This seasonal disc golf course in the Czech Republic is only played during the biggest tournaments. Used by the Disc Golf World Tour and Disc Golf EuroTour, Franz Ferdinand is known for long challenging fairways and beautiful scenery.

## Anheuser-Busch (Budweiser)

Nestled on the beautiful grounds of the Anheuser-Busch brewery in Fort Collins, this course offers a convenient destination for local patrons and AB employees. Outfitted with a beer garden, views of the Rocky Mountains, and occasional glimpses of the famous AB Clydesdales - this course is the gold standard for commercial recreation.

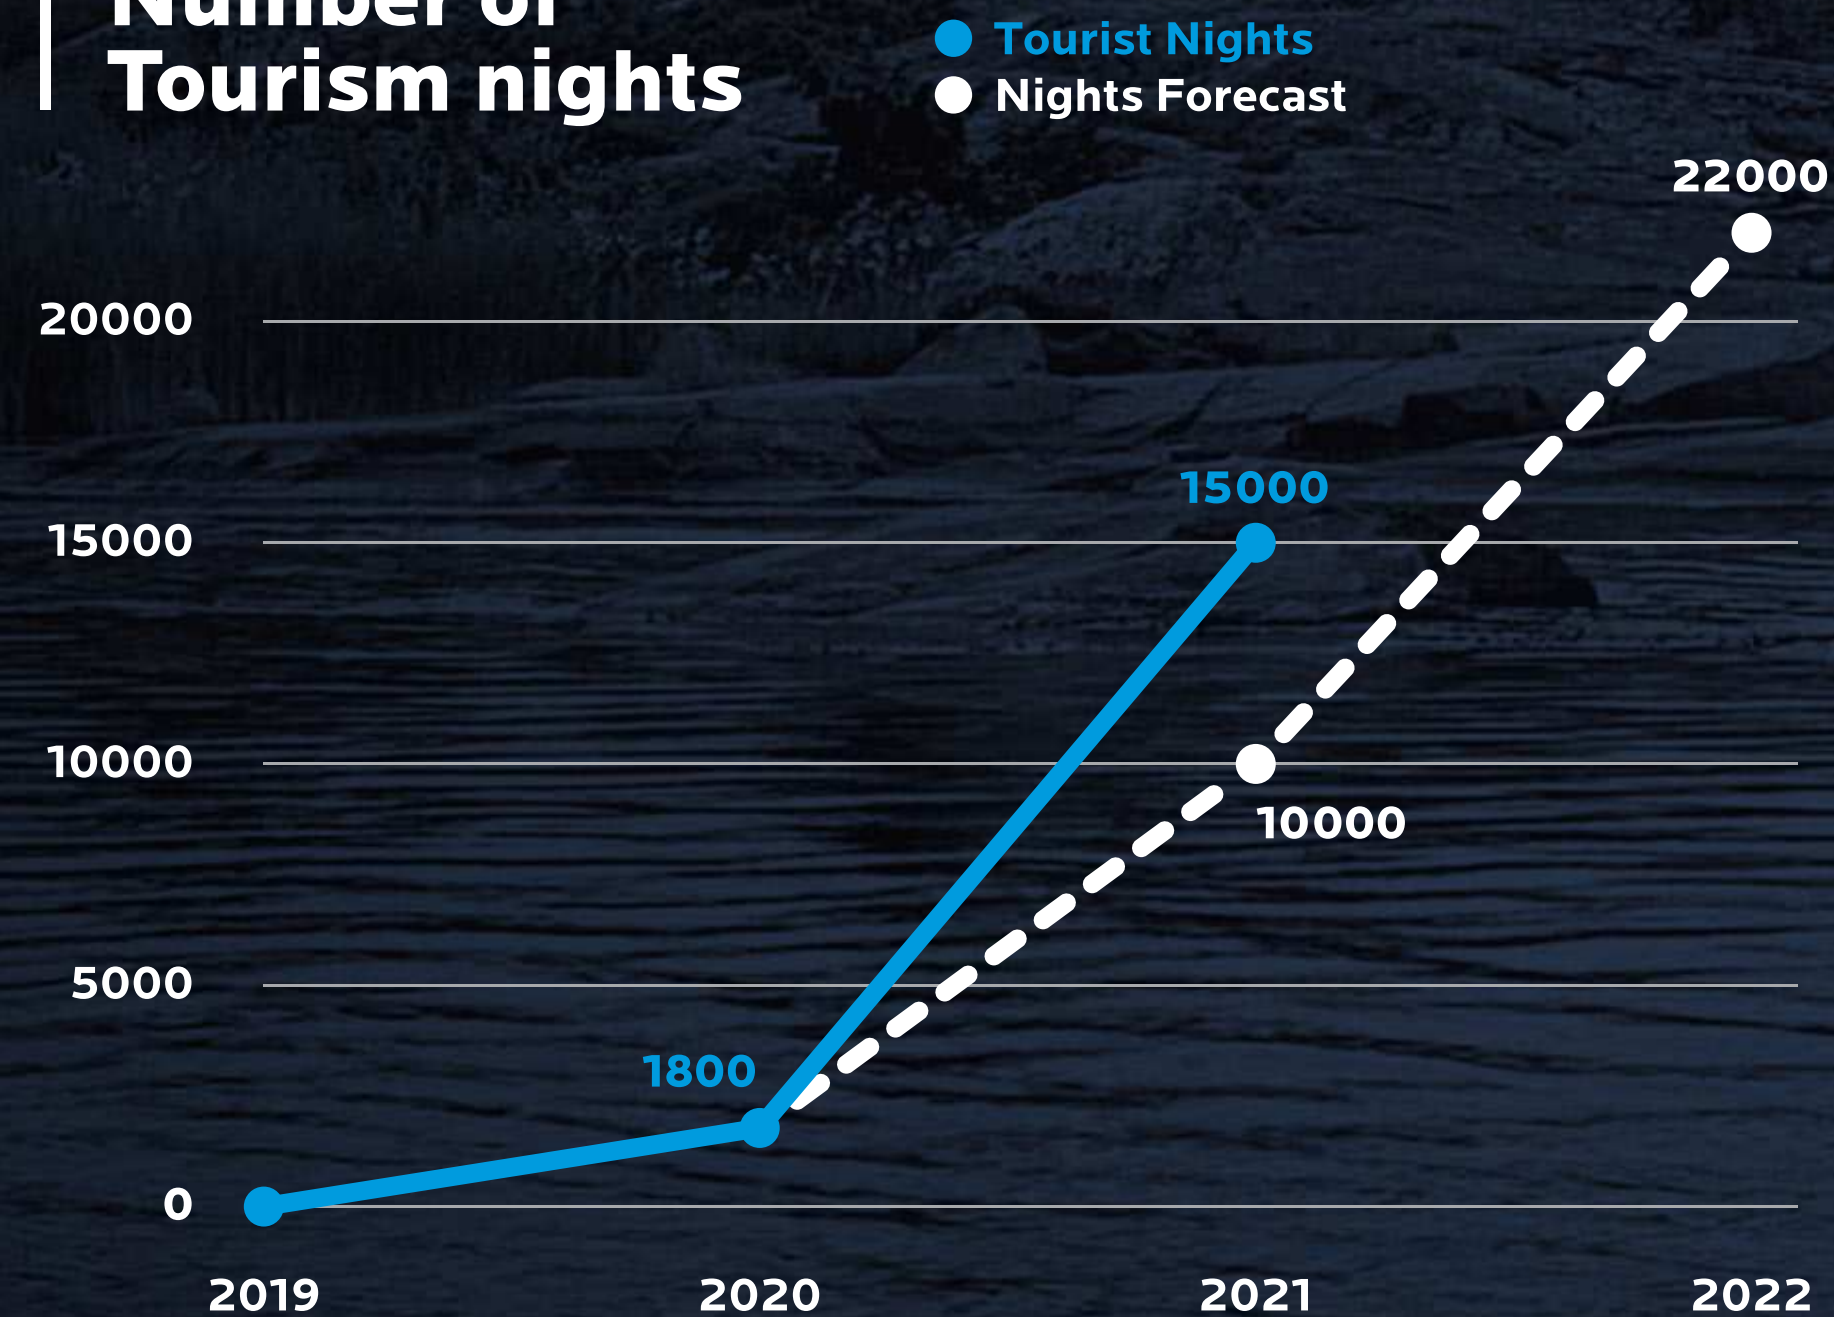

# Drawing tourism

DiscGolfPark recently installed 16 courses on Åland Disc Golf Island with a budget of 160k€. Since then, Åland has seen exponential growth in tourism. The DiscGolfPark team worked closely with Åland's Chairman for the Federation of Small Businesses, Mats Adamczak, to create a premier disc golf experience.

## Number of Tourism nights

“

The DiscGolfPark team captured the feeling that I'm after. They know how to help get a PDGA tournament for Åland and to build that into a larger tournament in the future. The experience matters.”

# Multigolf

Multigolf combines three forms of golf to one fun course! Disc golf, foot golf, and park golf can be played side by side on the same course layout. Mixing these sports brings fun for all ages, making it ideal for socializing and family outings.

Installing a Multigolf park requires less space than traditional disc golf courses, making it ideal for municipal areas. DiscGolfPark provides all necessary equipment, design, and installation for these convenient and fun courses!

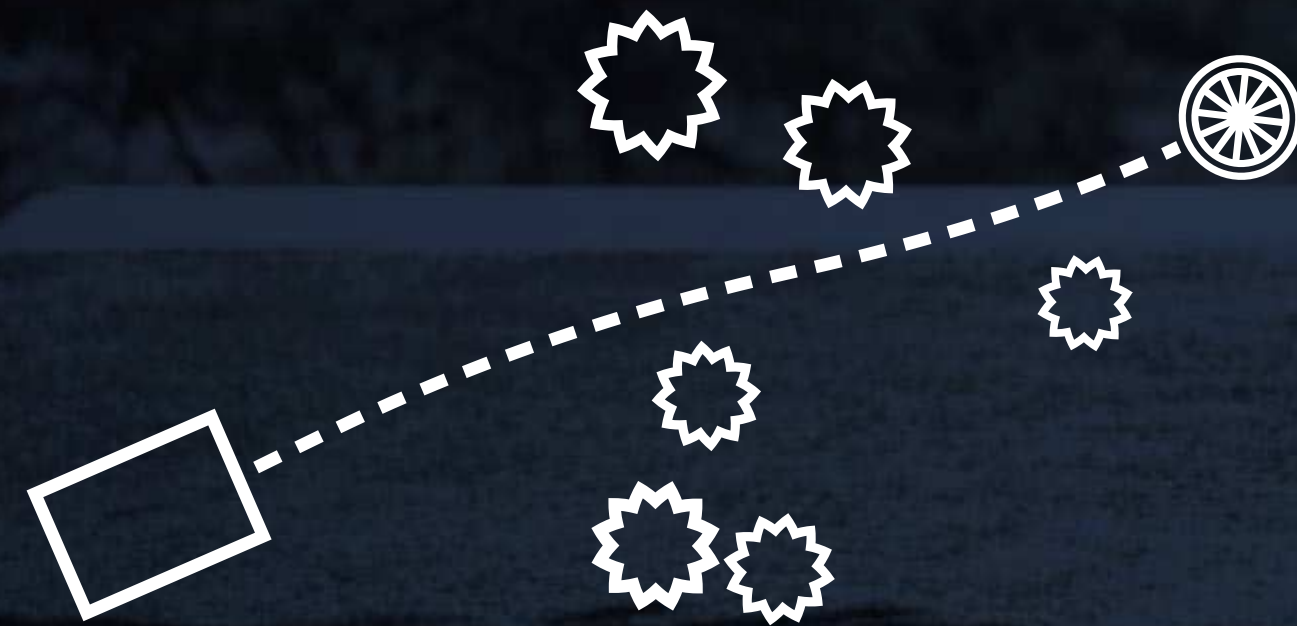

# Course design matters

Expert course design is the cornerstone of fun, convenient, and safe courses. First time players fall in love with our courses, keeping them coming back for years to come. High demand for quality courses combined with new player growth means you can expect your course to be a main attraction!

Ever increasing player traffic means we also design with player safety in mind - disc flight path, player visibility, and safe walking paths are all considered.

# Best customer service

Our design team has over 100 years of combined experience, and they are here to walk you through every step of the process!

“Austin Montgomery is a true professional. He approached this project with confidence, and set clear goals and expectations for the project. He had an open mind and was flexible to meet the requests of our park staff, whereby preventing any maintenance complications. Allowing us to participate in this process was kind and he was determined to meet the goals and expectations established by City of Fort Morgan staff. We look forward to continued success through this partnership, further we believe in the direction the sport is headed and that we will have a world class facility that many will enjoy for years to come.”

## Joe Miller

Community Services Director  
City of Fort Morgan, Colorado

“Motala municipality began work building a disc golf course in Bondebacka recreational area. We contacted DiscGolfPark. From the initial contact, we’ve been satisfied with their collaboration. They did everything from mapping the area, designing the course and marking everything for installation. This all in close cooperation with our employees. DiscGolfPark crew are knowledgeable and they are willing to serve you. Easy to work with, easy to talk with.”

## Åsa Grellsgård

Sports Director  
Municipality of Motala, Sweden

“The Heinola course was built fully by our local disc golf association LDG. The renewal process took many years. After starting cooperation with DiscGolfPark things jumped on a whole new level. Now we have the world’s best DiscGolfPark World, which suits players of all skill levels. The course is now known widely as Kippis.org. Cooperation with DiscGolfPark has been very fluent and I can highly recommend their first class services.”
