

Tex Studio Accessories Manufacturing Co.

Trusted Supplier for the World's Leading Brands.

Established in 2020, our company has grown into a leading manufacturer specializing in textile accessories and custom products for global brands.

With a commitment to high quality, innovation, and customer satisfaction,
we serve partners across Europe, the USA, and beyond.

Our mission is to deliver reliable, sustainable, and high-quality products with flexibility and precision.
Our vision is to be a long-term solution partner for global brands through superior manufacturing capabilities.

TEX STUDIO is the sister company of **Zamaks Accessories Industry Inc.**, backed by over 20 years of experience, and owns the sub-brands **DOGiTEX®** and **TAGiDOG®**.

Quality & Certifications & Control Process

Quality assurance is applied at every stage of production:

Incoming Material Inspection:

All raw materials are checked for compliance before production.

In-Process Quality Control:

Continuous monitoring during cutting, printing, laminating, sewing, and assembly stages.

Final Product Inspection:

Each item is fully inspected for measurements, stitching, color consistency, surface quality, and durability.

Pre-Packaging Control:

Final check before packaging.

Customer Feedback & Continuous Improvement:

Ongoing monitoring and corrective actions based on client feedback.

Certifications:

**STANDARD
100**

**THE INTERNATIONAL
REC STANDARD**
