IT**

# REDBOX® SERIES, POWER AND PRECISION IN COMPACT SIZE

- **Anti-Siphon valve:** allows the discharge hose to be installed below the level of the pump, preventing damage, reducing noise and draining the pump.
- **Silence:** noise emissions limited to 21 dB(A).
- **Integrated Safety:** Equipped with a high level safety contact that turns off the air conditioning in the event of a fault to avoid flooding.

**SILENCE:  
NOISE EMISSIONS  
LIMITED TO 21 dB(A).**

**MINI PUMPS**

## UNIVERSAL Mini Condensate Pump

REDBOX MINI UNIVERSAL is the universal pump adaptable to any installation up to 7kW. Featuring a flexible design and anti-siphoning system for consistent performance.

## TRUNK Mini Condensate Pump

REDBOX TRUNK comes as a complete kit, including 1 meter of premium PVC trunking and a matching wall duct (90° bend) to ensure a clean, seamless finish for every installation.

## COMPACT Mini Condensate Pump

REDBOX MINI COMPACT is designed to automatically remove the drainage liquid produced by air conditioners of a maximum 7kW cooling capacity.

## SLIM Undermount Pump For Systems

REDBOX SLIM is the undermount condensate pump, ideal for discrete installations. Featuring an ultra-slim, reversible design for mounting on either side of the AC unit.

## TUBE Mini Condensate Pump

REDBOX MINI TUBE is the condensate pump that delivers peak efficiency in an ultra-compact design.

# ARCTIC HAYES FREEZER KIT AND ACCESSORIES FOR THERMO- HYDRAULIC WORK

## AMONG OTHERS

### MUFF4 35-42mm Pro Freezing Jacket

Designed for use with Arctic Spray Pro Pipe Freeze Kits. Suitable for 54-61mm pipes.

### AH28/EU 8-28mm (1/4" - 1") Mini Electric Freeze Machine

Aluminium freeze heads are designed to fit straight onto a 28mm pipes, adding reducers 8-22mm to the heads allows the freezing of smaller pipes.

### VT3GBOXP Propane Brazing Torch Pack

Be ready for any plumbing job with this 3-burner gift box set. Our top-selling VT3 brazing torch, a canister of propane gas and three burner heads to suit different plumbing jobs.

### ZEK1 8-15mm Aero Disposable Freeze Kit

Kit Contains:  
1 x 150ml Arctic Spray Aerosol Pipe Freezer  
1 x Arctic Spray Freezing Jacket  
150ml Aero Kit is suitable for a single freeze on 8-15mm pipes.

### ZECOM 8-35mm Pro Commercial Freeze Kit

Suitable for 8, 15, 22, 28, or 35mm pipes with dual freeze capability on horizontal and vertical pipes.

### WM1 1200mm x 750mm Small Work Mat

Anti-slip plumber's mat, waterproof and resistant to oil, water, bleaches, detergents, heating additives and more. Ideal for protecting small carpet areas during work.

## REDUCE THE TIME BY 85% COMPARED TO A 2-HOUR EMPTYING AND FILLING CYCLE

# NONOISE, THE NEW PORTABLE AIR CONDITIONER ALL-SEASON

## NONOISE

- Energy class A++ in cooling and A+++ in heating.
- **Energy saving:** Uses 25% less energy than non-inverter units.
- **Silent Comfort:** "Sleep" mode reduces power sound emissions to 58 dB(A) for undisturbed rest.
- **Eco-friendly:** Uses natural refrigerant R290, with a global warming potential (GWP) reduced to just 3.
- **Elegant design:** structure with a glossy black finish that adapts to any contemporary environment.
- **Complete Kit:** The package includes everything you need for immediate use: remote control, 1.5m flexible exhaust pipe and installation instructions.

A SINGLE  
YEAR-ROUND  
SOLUTION THANKS  
TO THE INTEGRATED  
COOLING (3500W)  
AND HEATING  
(2930W) FUNCTIONS.

ONLY 58dB (A)

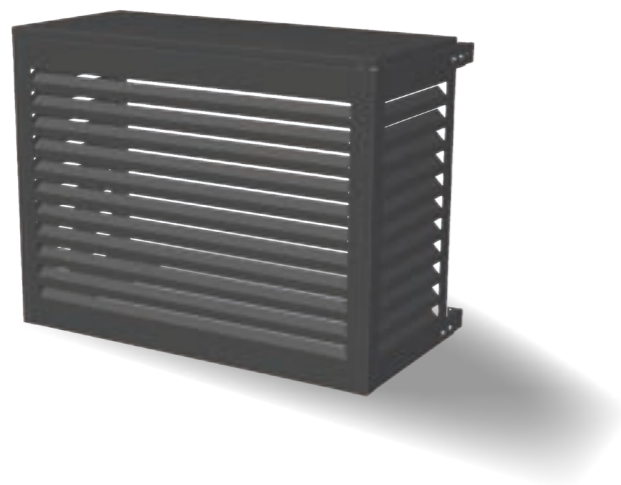

# TRU-FLOW COVER, THE PROTECTION BY DESIGN

## TRU-FLOW COVER

- **Premium construction:** Made of electro-galvanising steel to resist corrosion caused by weathering.
- **Airflow efficiency:** The slat inclination is designed to maintain up to 95% of the original airflow.
- **Minimalist design:** from technical elements to furnishing complement, it integrates easily with the building's architecture.
- **Finishes:** available in pure white or deep black colour variants.
- **Total protection:** shields the engine from accidental impacts, foliage accumulation and direct solar radiation, extending the life of the air conditioning unit.
- **Quick installation:** intuitive assembly system that allows quick and easy access for regular maintenance operations.

**MINIMALIST DESIGN:  
FROM TECHNICAL  
ELEMENTS TO FURNISHING  
COMPLEMENT**

### NITROGEN PURGE & BRAZING TOOL

The DP-1 Nitrogen Purge Tool is a quick and easy way to purge copper pipes with nitrogen. Connect and turn the dial, this switches to a very low flow of nitrogen to braze the copper. The DP-1 saves money and nitrogen consumption by setting the correct flow when brazing and purging. It has a durable aluminium design so you can just throw it into your tool bag when you are done.

### DRAINGUN™ - Drain Line Cleaner

DiversiTech DrainGun is a lightweight, portable tool designed to instantly unblock condensate drain lines and other pipes. Simply insert a CO<sub>2</sub> cartridge into the gun and, by pulling the trigger, 800 psi of feed CO<sub>2</sub> clears the blockage.

### DIVERSI-FLUSH™ - HVAC Flushing Kit

Diversi-Flush™ effectively removes all traces of residual oil and contaminants from the entire system. The easy to use kit includes everything needed to quickly and effectively clean through the entire system.

MAXIMUM EFFICIENCY AND HYGIENE FOR AIR CONDITIONING SYSTEMS

# A LOGISTICS ORGANISATION THAT NEVER SLEEPS

DiversiTech's activities are coordinated by three European logistics hubs, strategically located to ensure daily deliveries. The distribution centre in Novara serves Italy and southern Europe, while the sites in Belgium and the United Kingdom serve northern Europe and the British market respectively. Thanks to advanced management and handling systems, these infrastructures are key assets in maintaining our promise of quality and reliability.
