

MEAT LOVERS PURE CHICKEN

A true doggy dream: the grain-free wet food with pure chicken

Grain-free recipe

Available in: **400g; 800g; 6x400g; 6x800g**

Real meat lovers know what they want: lots of delicious meat! And that's what they get with our **Meat Lovers Pure Chicken**, straight into their bowl. Our wet food for adult dogs contains delicious chicken. The recipe is grain-free and gluten-free, and we do not add any unnecessary sugar, colourings, flavourings or preservatives.

The dog food with succulent meat and other animal ingredients such as liver, heart and stomach provides vital nutrients for your four-legged friend every day. Tasty broth and minerals round off the recipe to perfection.

Can't believe it? Just take a look at the tin — we make no secret of the best ingredients in our Meat Lovers Pure Chicken wet food.

- Dog food for adult dogs as monoprotein
- With a high meat content: chicken as the only animal protein source
- Adult wet food with no added grain or sugar
- Free from artificial colourings, flavourings, and preservatives
- 100% transparency: all animal-derived raw ingredients are listed

Feeding recommendation:

Weight	5 kg	10 kg	20 kg	30 kg	40 kg
Feeding amount/24 hrs	310 - 355 g	520 - 600 g	875 - 1,010 g	1,185 - 1,370 g	1,470 - 1,700 g

Energy per 1000 g = 4.3 MJ / 1,030 kcal

The recommended feeding amount is per animal per day. The amount of food should be reduced, for example if snacks are also provided. Please note that the amounts stated are for guidance only and should be adapted to the feeding requirements and activity level of your pet. Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C and offer at room temperature within 24 hours.

MEAT LOVERS JUNIOR PURE BEEF

Doggy dreams come true: the grain-free wet food for puppies with pure beef

Grain-free recipe

Available in: **400g; 6x400g**

So small and yet such good taste: our Meat Lovers Junior Pure Beef is a monoprotein wet food for growing dogs with lots of meat and packed with flavour. It's everything a youngster could want. That's because the key ingredient in our puppy food is the one thing our four-legged friends adore: delicious meat!

Meat Lovers Junior Pure Beef only contains what it says on the tin: lots of beef as the only source of animal protein, and other animal ingredients such as tripe, lung, kidney and liver as important sources of nutrients. The wet food for puppies has a grain-free and gluten-free recipe and contains no artificial additives. Salmon oil also provides our growing dogs from the 6th week of life with important omega-3 fatty acids such as DHA and EPA, which are important for healthy brain and nervous system development.

Does your puppy want to grow big and strong without missing out on delicious flavour? Open a tin of Meat Lovers Junior Pure Beef — the dog food with beef monoprotein for young gourmets.

- Dog food for puppies from 6 weeks of age as a monoprotein
- With a high meat content: beef as the only animal protein source
- Puppy food with no added grain or sugar
- Free from artificial colourings, flavourings, and preservatives
- With salmon oil as a source of omega-3 fatty acids DHA and EPA
- 100% transparency: all animal-derived raw ingredients are listed

Feeding recommendation:

Adult weight in kg	5 kg	10 kg	20 kg	30 kg	40 kg
Age in months					
1 - 2 months	230 - 290 g	355 - 445 g	550 - 645 g	715g - 840 g	885 - 1,040 g
3 - 4 months	300 - 375 g	485 - 615 g	775 - 1,005 g	1,015 - 1,325 g	1,260 - 1,645 g
5 - 12 months	330 - 370 g	550 - 635 g	920 - 1,075 g	1,225 - 1,480 g	1,525 - 1,840 g

1,000g = 4.4 MJ / 1,061 kcal

The recommended feeding amount is per animal per day. The feeding amounts stated are based on a dog's adult weight. In growing dogs, an optimum growth rate should be achieved through a moderate energy intake. If your dog is too big and too heavy for its age, it is advisable to reduce the amount of food. An adequate supply of nutrients is ensured even with smaller portions.

The amount of food should be reduced, for example if snacks are also provided. Please note that the amounts stated are for guidance only and should be adapted to the feeding requirements and activity level of your pet. Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C and serve at room temperature within 24 hours.

Complete feed for growing dogs.

Composition: beef (lungs, kidney, meat, tripe, udder, liver) 61.5 %; broth 36.3 %; salmon oil 1 %; minerals 0.7 %; plant fibre 0.5 %
