

 **Key-point**

to better life

Key-point History

Est. in 2001
1st Factory, Taizhou, Zhejiang

Since 1988

One Crew,
One Mission,
For One Lifetime.

Our dedication to our products
and commitment to
safety is based on this vision.
This is what makes **Key-point**.

Est. in 2016
Haining Factory, Jiaxing, Zhejiang

Est. in 2008
2nd Factory, Taizhou, Zhejiang

INFRASTRUCTURE
150,000m²
26 Acres

兴三星Key-point is a technology-based enterprise integrating manufacturing and service of curtain wall and door & window hardware, etc. We provide architectural hardware and related technical consulting.

In-depth exploration of the development trend of architectural hardware in the future, to create build quality life art space.

Focus on the development concepts of safety, energy saving and eco-friendly in the doors, windows and curtain wall industry.

Continuously pushing forward with humanised design as the base to meet the users' pursuit of quality of life.

Gently resonate the architectural space with life, meaning to make the space and the environment harmoniously blend into one.

Light, air and life.
Instead of four walls, we are
incorporating more elements
into your living space.
We make more than just hardware.

Thanks
