

## CLEANING

- Blue line: cleansing coat care with specific active ingredients.
- Deep-cleaning products essential for heavily soiled dogs.
- Effectively removes dirt, oils, and odors, preparing for coat-specific shampoos.

## PURIFYING

- The line offers moisturizing coat care with natural ingredients.
- Provides deep detox, lightening the coat while preserving its structure.
- Includes shampoos and conditioners for overall well-being and shine.

## MOISTURIZING

- Boost coat health.
- Nourishing, restorative, and gentle on skin and hair.
- Ideal for long-haired dogs, these products contain vitamins, proteins, and oils for achieving dreamy coats.

## VOLUMIZING

- For those who love big hair, the Volumizing products in the purple line are ideal.
- They strengthen the coat, boost fullness, and add texture and volume.
- Perfect for curly or wire-haired dogs, providing the needed support for their coat.

## SPECIALIZED

- The green Specialized line offers professional grooming products for specific coat treatments.
- They address unique grooming needs not covered by other lines.

## MULTIPURPOSE

- SHOWTECH+ features a turquoise blue color and offers non-cosmetic products such as slicker brushes, combs, towels, chalks, etc.
- It also includes general cosmetics suitable for all coat types and breeds.
