PROBIOTIC

— Feline Daily Boost —

Enriched with **Lactobacillus Plantarum**, Cherie Feline Daily Boost supports digestive and immune system health. This delightful formula along with creamy texture offers an irresistible taste.

**Lactobacillus
Plantarum**
Digestive and Immune
System Support

What makes our food so healthy?

- 1. Lactobacillus Plantarum Added**
- 2. Functional Benefits for Different Care Needs**
- 3. FEDIAF Formula for Complete Nutrition**
- 4. Easy Intake Puree Texture for All Ages**

1

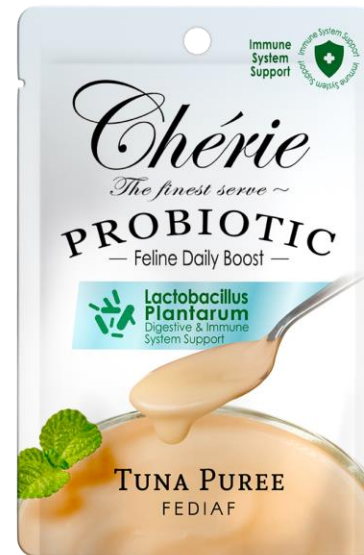

Probiotic Lactobacillus Plantarum Added

An ideal daily boost to support both digestive and immune system health. Lactobacillus Plantarum aids in maintaining a balanced gut flora, enhancing nutrient absorption, and bolstering your cat's natural defenses against illnesses.

2

Functional Benefits for Different Care Needs

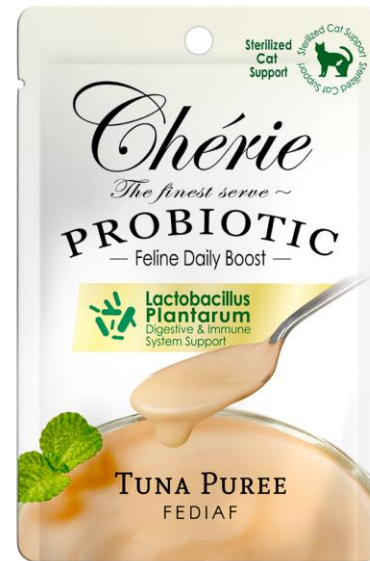

Urinary Health Support

Cranberry Extract added -

Known for its ability to support urinary tract health. It helps prevent bacteria from adhering to the urinary tract walls, reducing the risk of urinary infections and promoting overall urinary health.

2

Functional Benefits for Different Care Needs

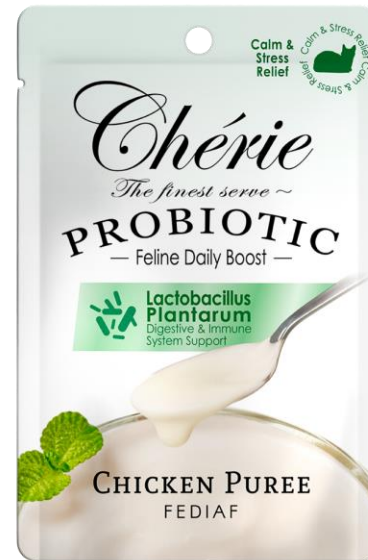

Sterilized Cat Support

L-Carnitine and Apple Fiber added -
This combination aids in weight management and metabolism for sterilized cats. L-Carnitine helps convert stored fat into energy, assisting in maintaining a healthy weight, while Apple Fiber promotes digestive health and contributes to a feeling of fullness, preventing overeating.

2

Functional Benefits for Different Care Needs

Calm & Stress Relief

L-Tryptophan, Chamomile, and L-Threonine added – Supporting relaxation and reducing stress for a more tranquil environment. L-Tryptophan helps improve mood, while Chamomile is known for its calming properties, aiding in anxiety relief.

2

Functional Benefits for Different Care Needs

Hair Growth Support

Tuna Oil, Flaxseed Oil, Zinc Sulfate, and Biotin added –

This formula fosters healthy skin and a shiny coat. Omega-3 and Omega-6 fatty acids from Tuna and Flaxseed Oils provide essential nutrients for skin health, while Biotin and Zinc promote hair strength and growth, helping to reduce excessive shedding.

3

FEDIAF Formula for Complete Nutrition

Formulated to meet FEDIAF Cat Food Nutrient Profiles, providing complete and balanced nutrition to meet the health needs of adult cats.

The European
Pet Food Industry

4

Easy Intake Puree Texture for All Ages

Designed for easy consumption, creamy puree texture enhances mealtime enjoyment for cats of all ages and preferences.
