

DOGS & PEE

Dog'sCare

Who We Are

Dog's Care is a Brazilian company and a global pioneer in developing innovative pet care products, including the world's first dog diaper, patented in 2006. With over 20 years of expertise, we deliver smart, high-performance solutions to improve life for pets and their families, making everyday life more practical, clean, and enjoyable.

Our mission?

To simplify life for people like us - pet lovers, family-first humans, who believe caring for pets is caring for ourselves.

The dog diaper was just the beginning. Since then, we've been committed to developing smart, practical solutions - all designed to make life with pets easier, cleaner, and full of love.

Our purpose?

To inspire a life with no limits between humans and their dogs.

- More quality time together
- More freedom, more convenience
- Products that care for the ones who care – YOU!

Our Infrastructure

Our state-of-the-art manufacturing facility in Brazil has the capacity to produce up to 5 million units per month, using only premium materials to guarantee the highest quality standards, competitive pricing, and 100% satisfaction.

We also operate a logistics and distribution center in Miami, USA, ensuring fast, reliable delivery anywhere in the country, optimizing lead times and operational efficiency for your business.

Why Partner with Dog's Care
