INSTRUCTION MANUAL FOR AUTO SPINNING
ELECTRIC TUMBLER WITH TEASER
TT-01

Cautions

1. The device is not waterproof and should only be used in dry environments.

2. Ensure the use of correct batteries (3x AA). Do not use rechargeable batteries.

3. Mixing old and new batteries or different types of batteries is not recommended.

4. Install batteries observing proper polarity and do not mix old and new batteries.

5. Remove depleted batteries promptly from the device.

6. If not in use for an extended period, remove batteries to prevent potential damage.

7. Improper battery installation may cause an explosion hazard.

8. Avoid excessive play; prolonged movement may be strenuous for your pet.

9. If the tumbler's movement slows or stops after continuous play or if the LED dims, this indicates low battery power. Replace the batteries at this time.

10. This product is designed exclusively for pets; it is not a child's toy. Children should only use the product under adult supervision.

11. In the event of any visible damage or if the product deforms, discontinue use immediately.

12. Prevent any small parts from being ingested by pets or children.

13. Do not attempt to repair the device yourself if it's found to be faulty; also, do not dismantle it. Properly dispose of the product to avoid environmental harm.

14. Do not dispose of batteries in a fire to avoid the risk of an explosion.
