

Rare Organic Purity, Elevated Potency

From one of New Zealand's finest organic Mānuka harvests comes this Certified Organic Mānuka Honey MGO850+, a rare grade sought after by those who appreciate true purity. Its natural potency and refined texture create a balanced, powerful expression of our pristine landscapes.

Every jar is crafted with heritage and care, offering elevated wellness and a level of quality that reflects both nature's brilliance and our uncompromising standards.

You have chosen a honey we are truly proud of.

Shaped by five generations of dedication, our Certified Organic Mānuka Honey MGO850+ is a reflection of who we are: honest, pure, and committed to exceptional quality. From the remote landscapes of New Zealand's South Island to the careful harvest, every step honours the traditions passed down through our family.

Each jar carries the full, rich flavour of our land, capturing the strength and character that make New Zealand Mānuka honey so extraordinary. This rare grade represents not only nature's gift, but also our promise to craft honey with integrity, patience, and genuine care.

I hope this honey supports your wellbeing and brings a moment of natural strength into your everyday life.

Warm regards,
Derek Newton
Founder
