

# Cont Pack Plus

The safest solution to keep your products dry throughout transportation and storage

Cont Pack Plus is specifically engineered to ensure your products remain safe and dry during transportation and storage. By regulating the container's internal humidity levels, Cont Pack Plus effectively eliminates the risk of condensation.

## Features and Benefits

Cont Pack Plus ensures that your logistics operations remain secure and moisture-free, regardless of external environmental conditions.

### High Absorption Capacity

Manufactured with calcium chloride, Cont Pack Plus offers superior moisture absorption capacity. It can absorb more than **350% of its own weight in moisture**, even under extreme conditions of **35°C and 95% relative humidity**.

### Gel Formation

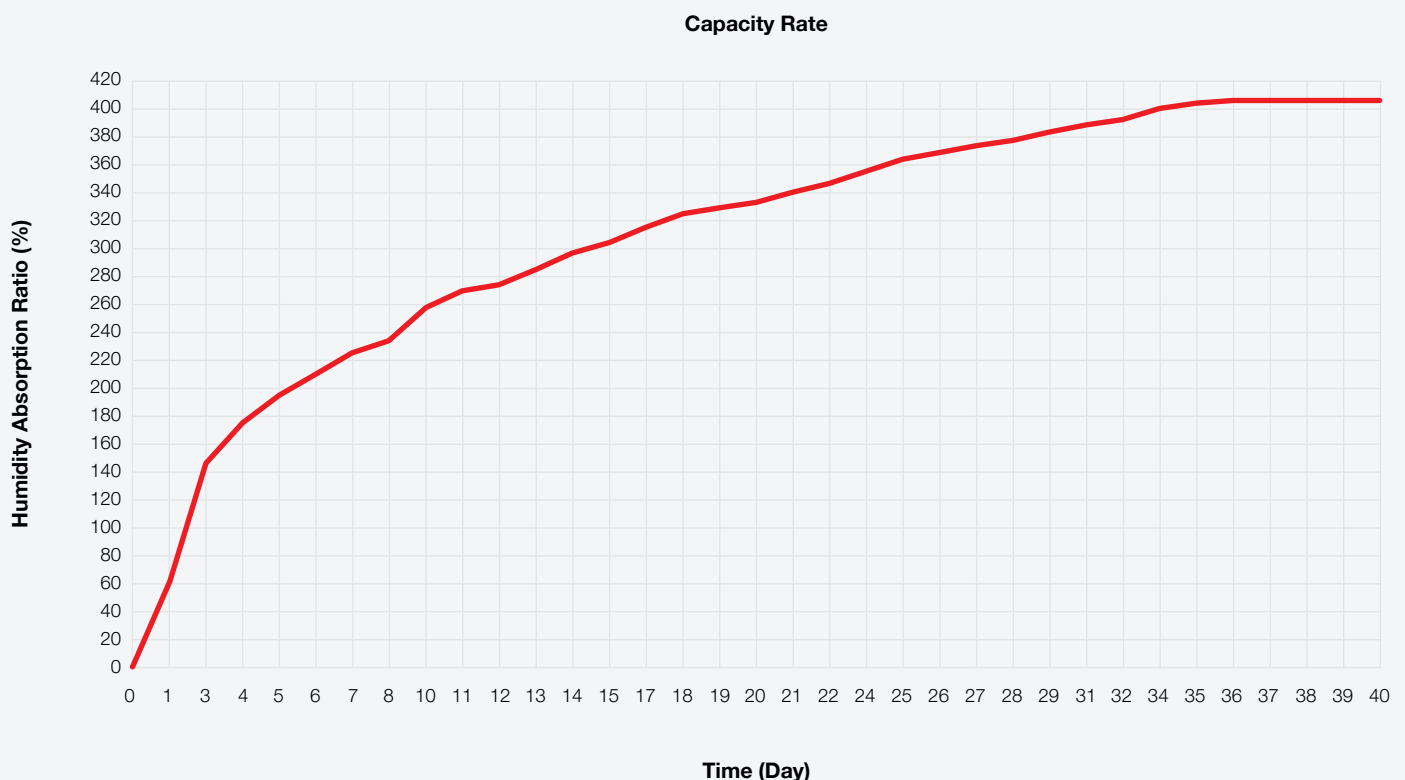

By transforming absorbed moisture into gel, Cont Pack Plus securely traps it, completely eliminating the risk of leakage.

### Leak Prevention

Designed with high-performance DuPont Tyvek® packaging, Cont Pack Plus ensures complete liquid containment, preventing any leakage during moisture absorption.

### Sustained Protection

Cont Pack Plus delivers sustained protection throughout transportation and storage, maintaining its superior performance across diverse temperature and humidity ranges.

### Available Configurations

Cont Pack Plus is available in various configurations to best accommodate different shipping methods and modes. The optimal quantity depends on shipping conditions and the specific characteristics of the protected products.

### Product Specifications

Unit Size	Product Code	Product Dimensions (cm)	Recommended Usage	
			20 ft Container	40 ft Container
190g	CPP019	18 x 22	20-30	40-50
250g	CPP250	36 x 18	15-20	30-40
190g x 2	CPP019x2	18 x 44	10-15	20-25
190g x 4	CPP019x4	18 x 88	5-8	10-13
380g	CPP038	36 x 20	10-15	20-25
380g x 2	CPP038x2	36 x 40	5-7	10-12
380g x 4	CPP038x4	36 x 80	3-4	5-6
125g x 6	CPP125x6	14,6 x 162	5-7	10-12

Additional configurations are available, including **hanging and adhesive options**.

### About Us

Desi Chem is the leading manufacturer in Turkey, specializing in **humidity control and corrosion protection technologies**. With over 20 years of experience, we are proud to be a trusted solution partner in various sectors. At **Desi Chem**, we provide high-quality **Desiccant portfolio and VCI Solutions** tailored to your specific needs.
