Our Philosophy

In the contemporary pet-keeping lifestyle, pets are our friends and family members.

To get on well with them, MR. ROPE is committed to seeking a balance in the relationship between humans and pets in the future. We aim to foster a deeper understanding of pets, promoting better companionship. Through professional and thoughtful design, along with excellent production, we strive to provide customers with a range of interesting and entertaining pet toys and accessories.

Have fun with you!

- 1991 -

Mr. Lin, the founder of the company, started to engage in the business of rope products, mainly in the manufacture of horse ropes.

- 1996 -

Wenzhou factory of MR.ROPE was established and officially started the production and manufacturing of rope pet toys, which was the first professional manufacturer of rope pet products in the industry.

- 2019 -

Started construction of MR.ROPE's factory in Cambodia, Southeast Asia.

- 2018 -

Started construction of MR.ROPE's new factory in Wenzhou.

- 2016 -

We have established direct partnerships with major pet supermarkets such as Petsmart in the US, PetValu in Canada, and Pets at Home in the UK.

- 2015 -

Established a direct partnership with petco, a large supermarket chain in the U.S.

Company Overview

Since its establishment in 1996, MR. ROPE has remained steadfast in its dedication to designing and developing premium pet rope toys and accessories. The brand consistently advocates top design and qualities to upgrade industry standards.

Over the past few decades, MR. ROPE has crafted tens of millions of hot products for hundreds of global pet product companies and chain retailers.

- 2000 -

MR.ROPE Shanghai factory started construction.

- 2002 -

MR.ROPE Wenzhou factory was relocated to Shanghai and registered as Shanghai Xinjian Pet Products Co.

- 2003 -

The company fully started the self-export of products and completed the major transformation of customer base for the first time.

- 2015 -

The company's sales exceeded USD 10 million for the first time.

- 2014 -

Established cooperation relationship with Dollar Tree in the United States, which is the first terminal large supermarket partner of the company.

- 2009 -

The company completely eliminated the first generation of old rope making equipment and started to invest in brand new equipment.

ROPE

The word "ROPE" is rendered in a large, bold, sans-serif font. The letter "O" is a solid orange circle. The letters "R", "P", and "E" are black. A black and white striped rope is drawn over the letters, looping around the "R", "P", and "E". A small, curved segment of orange rope is positioned above the "O".
