

VASART®

| URBAN FURNITURE ATELIER |

THE PASSION FOR DESIGNING AND CREATING QUALITY FURNITURE

Vasart Urban Design has been present in the street furniture sector for over 40 years. Vasart an Italian manufacturing company which combines artisan skills with technologies and innovative production processes to create bespoke products for every project and urban context (even for limited runs).

All Vasart Urban Design products are manufactured in Italy and stand out for their design and quality of the materials used.

LIGHTNESS
of the lines and quality
of the materials used

VALORIZATION and
redevelopment

ELEGANCE
and urban design

THE NEW
urban furniture

REGENERATION
urban

THE HARMONY
that leads to the sea

FURNISHING ELEMENTS
durable over time

SOFT LINES
of design

DOHA
a city in constant
evolution

DESIGN
functionality
and safety

A SILHOUETTE
as a bench
