not restriction.

Size Pippa is the **smallest** muzzle in our **Short & Wide Fit** collection, specifically designed for dogs with **shorter snouts & broader facial structure.**

Pippa is ideal for:

Dogs with short, broad snouts,
Bully-type head shapes,
Dogs with slightly undershot jaws,
Compact, powerful breeds,
Dogs too short for Harry

! *We do not recommend sizing by breed alone. Head width, length, and jaw structure vary hugely within breeds.*

Why Choose the Size Pippa Dog Muzzle?

✿ **Contoured for Undershot Jaws**

The area beneath the treat hole is gently bowed outward to accommodate slightly undershot bites, helping ensure comfort even for unique jaw shapes.

✿ **Behaviour-Informed Panting Space**

Designed by a team of animal behaviourists, Pippa supports safe panting, drinking, and treat delivery when fitted correctly, even for compact muzzle lengths.

✿ **Smooth Comfort Touchpoints**

Finished with smooth internal and cheek edges to help minimise rubbing and pressure points.

✿ **Vision-Friendly Head Strap Design**

A flat head strap fastening reduces visual obstruction and supports spatial awareness.

✿ **Streamlined Internal Structure**

Thinner internal bars create a sleeker, lighter feel without sacrificing strength or stability.
