YONGHONG PET PRODUCTS

Foshan Yonghong Pet product Manufacture Co.,Ltd.

Company Profile

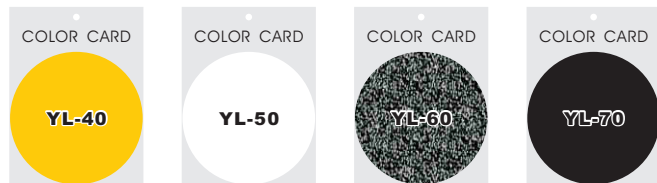

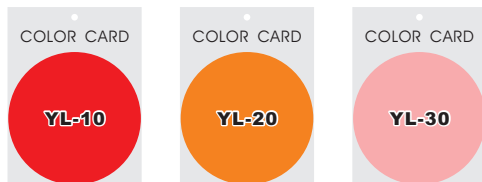

Foshan Yonghong Pet Product Manufacture Co., Ltd. is a specialized enterprise engaged in the production and sales of metal pet cages. Formerly known as Foshan Nanhai Yongli Pet Product Manufacture Co., Ltd., the company has been in this industry for nearly 30 years. It has always adhered to the business philosophy of "quality first, service first", and is committed to providing high-quality and practical pet cage products for pet lovers.

The company's products mainly include metal pet cages, covering various types of petcages, including dog cages, cat cages, bird cages and other products. It also provides customized services in various sizes and colors to meet the needs of different customers. The company pays attention to product research and development and quality management during the production process, using high-quality raw materials and modern production processes to ensure the quality and reliability of each product.

In order to provide better service, the company has established a professional pre-sales consultation and after-sales service team to provide customers with comprehensive consultation and technical support to ensure customer satisfaction. The company actively develops domestic and foreign markets, and its products have been exported overseas, receiving high praise and trust from domestic and foreign customers.

In the future development, the company will continue to adhere to the business philosophy of "quality first, service first", continuously improve product quality and service levels, continuously expand product lines and markets, and provide better products and services for pet lovers, becoming a leader in the industry.
