

Premium Ornamental Fish Exporter
from Vietnam since 1999

Leading Vietnamese exporter of tropical ornamental fish, supplying the finest
freshwater fish to wholesalers and importers worldwide

A JOURNEY ACROSS GENERATIONS

Saigon Aquarium (SGA) is more than a business—it is a family legacy driven by passion, responsibility, and a shared vision to elevate Vietnam’s ornamental fish industry.

From the start, our success has been built on creating real value for the industry and the people in it. We provide stable livelihoods for workers across Vietnam, offering hands-on training in fish breeding and propagation in Ho Chi Minh City.

Recognized for reliable logistics, professional export handling, and consistently healthy, market-ready fish, SGA stands for quality and trust. As the first Vietnamese member of Ornamental Fish International (OFI), SGA represents compliance, credibility, and long-term partnership.

OUR PRIDE

ORNAMENTAL FISH EXPORT EXPERT
