PROFESSIONAL PET GROOMING PRODUCTS

Jirpet

PET DRYER CABIN

Jirpet is a cutting-edge technology company specializing in intelligent pet products. Since its establishment in 2017, Jirpet have adhered to the brand philosophy of "making pets feel comfortable." Jirpet have been devoted to designing scientific and simple pet products from our inception. So far, Jirpet have secured 17 invention patents and has become the drafting unit for industry standards in the pet drying cabin sector. With this vision, Jirpet consistently enhance and diversify its product range, delivering top-tier pet products.

ABOUT US

Using cutting-edge technology to enhance the happiness of pet ownership. Jirpet’s mission is to contribute to the future of living spaces where humans and pets coexist harmoniously.

Jirpet is a leading Chinese brand dedicated to the smart pet appliance industry since its establishment in 2017.

The primary focus of Jirpet lies in the development of pet drying cabins featuring advanced technology, reflecting Jirpet’s commitment to intellectual pet care solutions. Additionally, Jirpet actively explore new realms, including pet hair care and intelligent grooming for pets. With seven years of unwavering commitment to innovation, Jirpet’s products have made a significant impact, catering to the needs of over 40,000 pet shops and 12,000 pet breeders throughout China. Jirpet proudly holds the position as the designated pet care brand for various domestic competitions such as ICE, ICA, TIFA, WCCF, CFF, CICA, WCF, CFA, and more.

Being the pioneering brand to venture into the domestic market of pet dryer cabins, Jirpet played a crucial role in the formulation and development of the "Industry Group Standard for Pet Dryer Cabin." This standard was proposed by the China National Electric Apparatus Research Institute in September 2019. The drafting process involved collaboration with the Consumer Appliances Working Committee and Ningbo ZhuangChong Electronic Technology Co., Ltd., with oversight and responsibility vested in the China Association for Consumer Products Quality and Safety Promotion.

Jirpet possesses an extensive portfolio of authorized patents and maintains a prominent position in key domains such as high-speed motors, fluid dynamics, and cabin comfort. The cornerstone of Jirpet's product evolution and innovation lies in the five dimensional full surround fast blowing and active moisture removal technology. This technological advancement serves as the core competitiveness and driving force behind Jirpet's continual refinement of its product matrix, enhancing the overall comfort of pets during the hair drying process. In total, Jirpet has secured 17 authorized patents.

Jirpet takes the lead in driving the healthy development of the smart pet appliance industry through action.

and Safety Promotion

JIRPET-F1

Quick-drying! Silent! Safe!

Experience a comprehensive grooming journey for your furry friends with the magic of Jirpet, ensuring their health and beauty like never before.

We are the elves of the forest, living in a harsh environment. With thick and dense hair and robust physique, we adapt to extreme weather and environments. Therefore, our hair requires special care and attention to maintain health and beauty.

Jirpet's soft, lightweight, flowing breeze brings a comforting sensation to pets. As the pet hair gradually becomes fluffy and soft, you can feel the air flowing through it, offering comprehensive salon care for their body and skin that enhances the pet's healthy radiance from the inside out.

+ Patented Air Duct Design Ensuring Full-Surround Airflow

The drying cabin is equipped with air outlets on all four sides, allowing the airflow to come from all directions, gently caressing the entire body of pets with warmth and delicacy. In contrast to drying cabins with only bottom air outlets, this not only enhances the overall comfort sensation but also improves the efficiency of the drying process.

+ Air Bath Daily Cleaning and Care

Spending just 10 minutes each day to remove dust and loose hair from your pet's coat without taking an actual bath with water.

+ HEPA Air Filter

Equipped with an antibacterial and antimicrobial HEPA air filter, effectively filtering out hair and dust to maintain a hygienic environment.

+ 150,000,000 Negative Ions are Common, Reaching the 150 Million Level is Rare

Releasing a high concentration of negative ions in the tens of millions helps to smooth frizz, reduce static, and lock in moisture, leaving the hair smooth and flowing.

+ Automatic Dehumidification

Proactively reducing cabin humidity, decreasing moisture levels, improving drying efficiency, and enhancing the overall comfort experience.

+ External Oxygen Circulation

With a circulating fresh air design, it introduces up to 600L of air per minute into the cabin, preventing any potential for suffocation.

+ 20 Times per Second High-Frequency Safety Detection

The third-generation advanced SAFE security detection system, coupled with a powerful AI intelligent chip, incorporates multiple protection functions such as over-temperature, under-temperature, leakage, over-voltage, short-circuit, ensuring no safety hazards.

+ 75L Large Space

Offering pets with freedom to lie down or move, accommodating and spacious without constraint. A delightful experience that only your pets can truly understand.

+ Up to 99.99% Sterilization Rate

Ozone Sterilization is applicable for pet supplies such as bowls and toys, ensuring a clean and sanitized environment for your pets.

JIRPET-F1

Applicability:

Suitable for cats, dogs, and other pets weighing up to 15kg (33 pounds).

Model: F1

Rated Voltage: 110V~220V – 50Hz~60Hz

(Customization options are available based on the country's requirements.)

Rated Power: 1100W

Temperature Range: 20~40℃

Timer Range: 1~99 Minutes

Air Volume Range: 1~4 Levels

Hair Care Method: Negative oxygen ion + Infrared therapy

Filtering Method: HEPA Air Filter

Sterilization Method: Ozone

Sterilization Rate: 99.99%vt

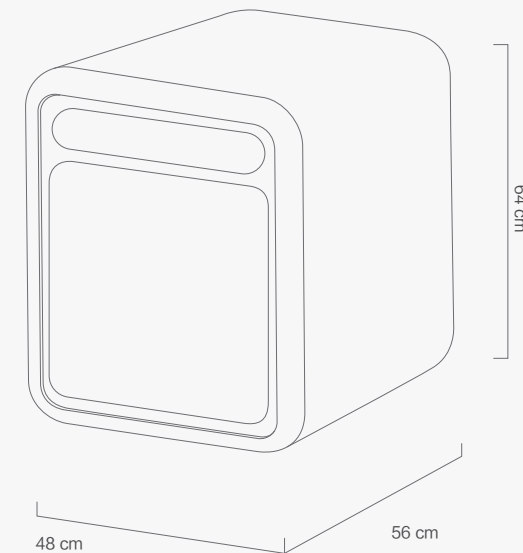

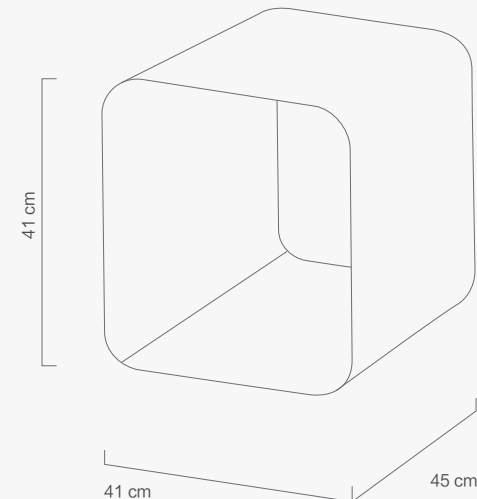

Control Method: Touch Control + Remote Control

Net Weight: 20 kg

Capacity: 75L

Product Dimensions: 56 cm * 48 cm * 64 cm

Internal Dimensions: 45 cm * 41 cm * 41 cm

JIRPET-X5

Applicability:
Suitable for cats, dogs, and other pets
weighing up to 15 kg (33 pounds).

- Model: X5
- Rated Voltage: 110V~220V – 50Hz~60Hz
(Customization options are available based on the country's requirements.)
- Rated Power: 2000W
- Temperature Range: 20~40℃
- Timer Range: 15~120 Minutes
- Air Volume Range: 1~4 Levels
- Number of Fans: One
- Hair Care Method: Negative oxygen ion
- Sterilization Method: Ozone
- Sterilization Rate: 99.99%vt
- Control Method: Touch Control + Remote Control
- Net Weight: 46 kg
- Capacity: 80L
- Product Dimensions: 59cm * 54cm * 73.5cm
- Internal Dimensions: 42cm * 43cm * 45cm

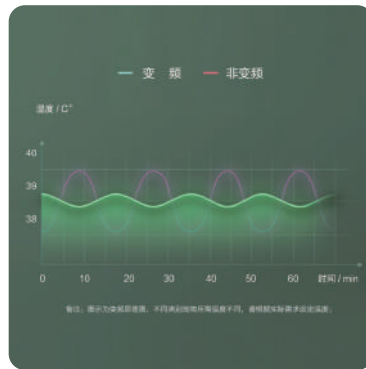

2024 COLOR SELECTION

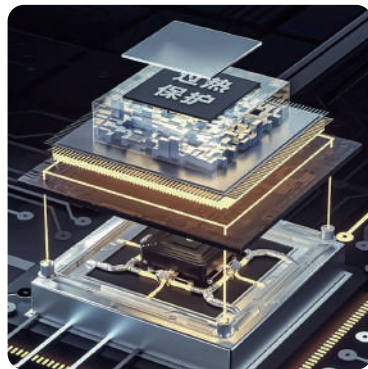

German EBM Fan with Lifetime Warranty

Boasting a service life of up to 25,000 hours, equivalent to over 8 years of daily use for 8 hours.

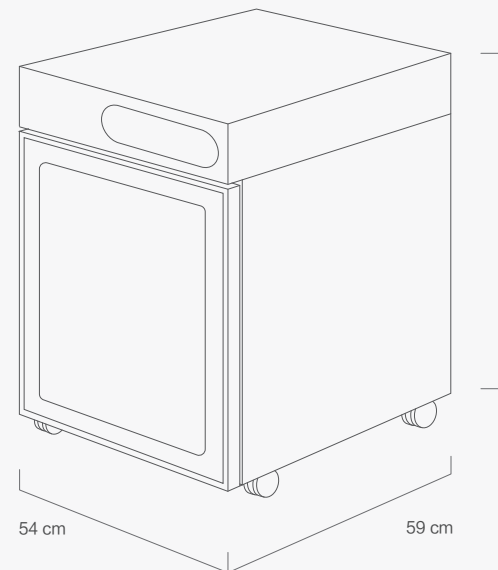

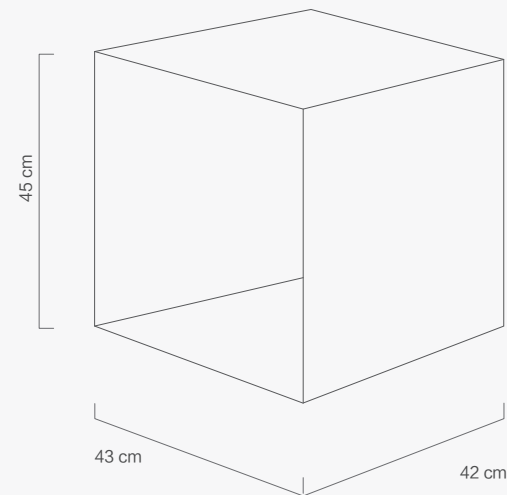

12 TIMES per second safety checks, featuring a comprehensive 6-fold safety protection system to prevent accidents.

Core Temperature Control Technology for Energy Efficiency and Power Savings

In summer, the power consumption can be as low as 0.5 kWh per hour. Precision control of refrigerant circulation achieves comprehensive energy-saving management. By balancing temperature and humidity, it minimizes power consumption, providing both energy efficiency and comfort, ensuring long-lasting and durable performance.

JIRPET-C7

Applicability:

Suitable for cats, dogs, and other pets weighing up to 20 kg (44 pounds).

Model: C7

Rated Voltage: 110V~220V 50Hz~60Hz

(Customization options are available based on the country's requirements.)

Rated Power: 2000W

Temperature Range: 20~40℃

Timer Range: 15~120 Minutes

Air Volume Range: 1~4 Levels

Number of Fans: One

Hair Care Method: Negative oxygen ion

Sterilization Method: Ozone

Sterilization Rate: 99.99%vt

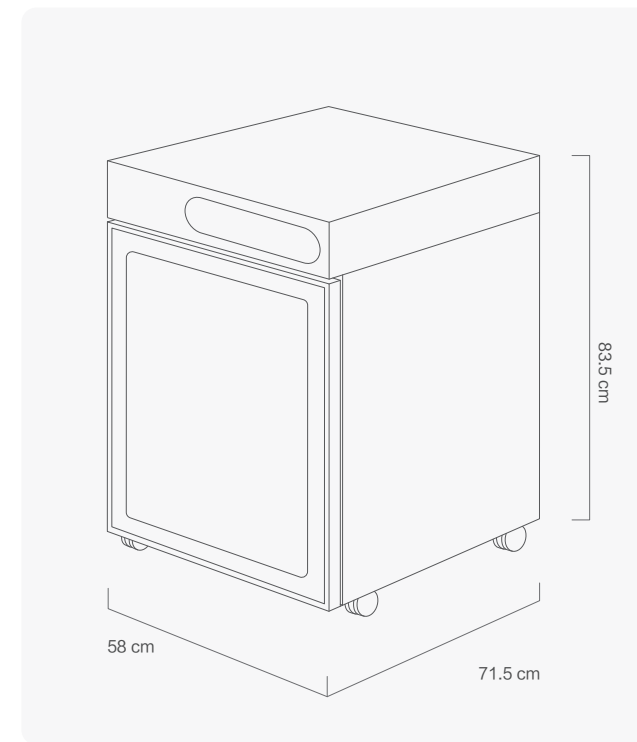

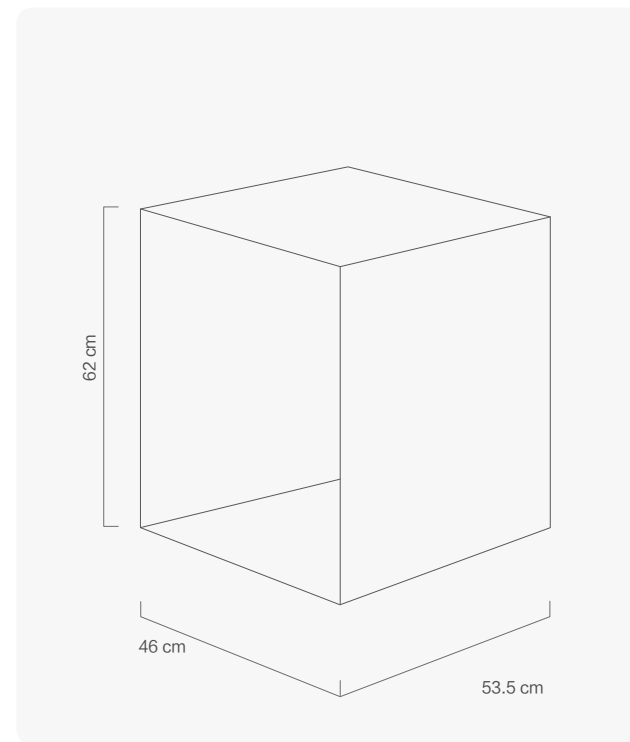

Control Method: Touch Control + Remote Control

Net Weight: 55 kg

Capacity: 150L

Product Dimensions: 71.5cm * 58cm * 83.5cm

Internal Dimensions: 53.5cm * 46cm * 62cm

JIRPET-P9

Applicability:

Suitable for cats, dogs, and other pets weighing up to 40 kg (88 pounds).

Model: P9

Rated Voltage: 110V~220V 50Hz~60Hz

(Customization options are available based on the country's requirements.)

Rated Power: 2800W

Temperature Range: 20~40°C

Timer Range: 15~120 Minutes

Air Volume Range: 1~4 Levels

Number of Fans: Two

Hair Care Method: Negative oxygen ion

Sterilization Method: Ozone

Sterilization Rate: 99.99%vt

Control Method: Touch Control + Remote Control

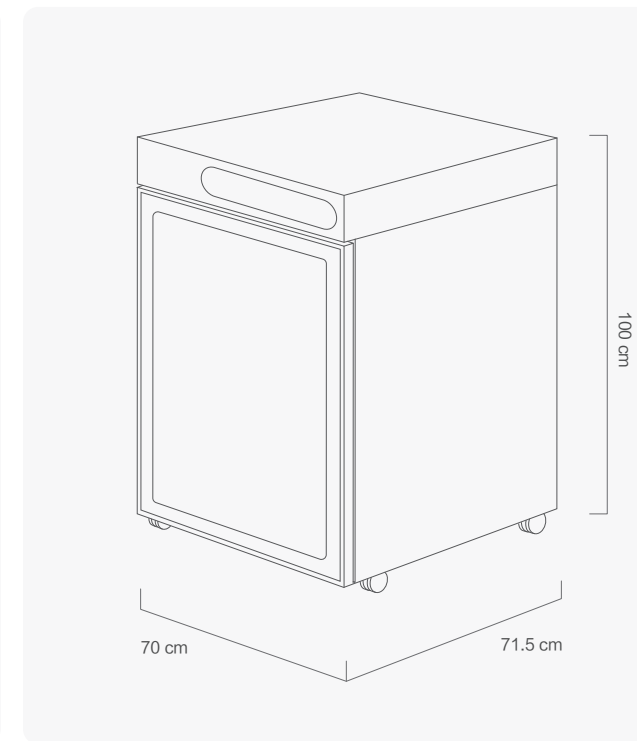

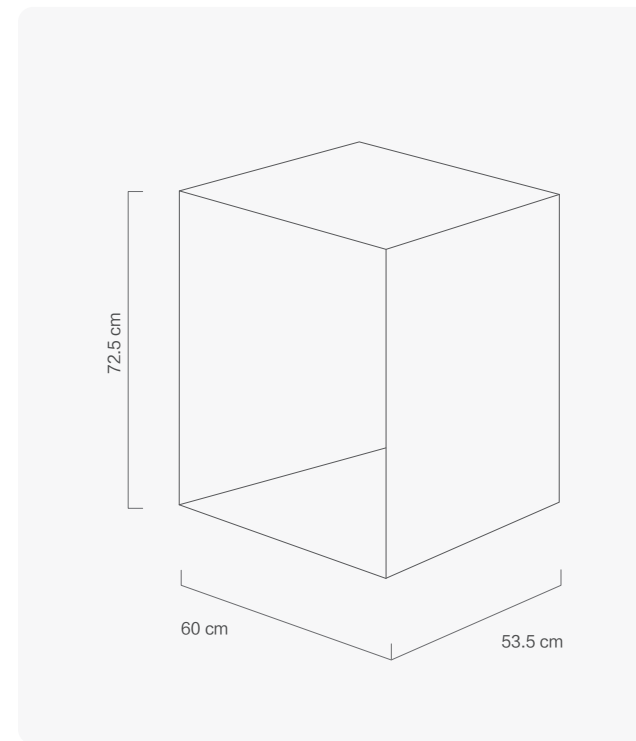

Net Weight: 80 kg

Capacity: 230L

Product Dimensions: 71.5cm * 70cm * 100cm

Internal Dimensions: 53.5cm * 60cm * 72.5cm

GERMAN EBMPAPST FAN **x2**

JIRPET-PLUS

Applicability:
Suitable for cats, dogs, and other pets
weighing up to 55 kg (121 pounds).

Model: PLUS

Rated Voltage: 110V~220V 50Hz~60Hz

(Customization options are available based on the country's requirements.)

Rated Power: 3400W

Temperature Range: 20~40°C

Timer Range: 15~120 Minutes

Air Volume Range: 1~4 Levels

Number of Fans: Two

Hair Care Method: Negative oxygen ion

Sterilization Method: Ozone

Sterilization Rate: 99.99%vt

Control Method: Touch Control + Remote Control

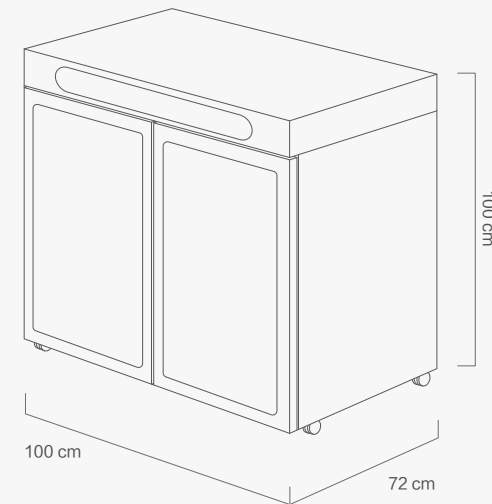

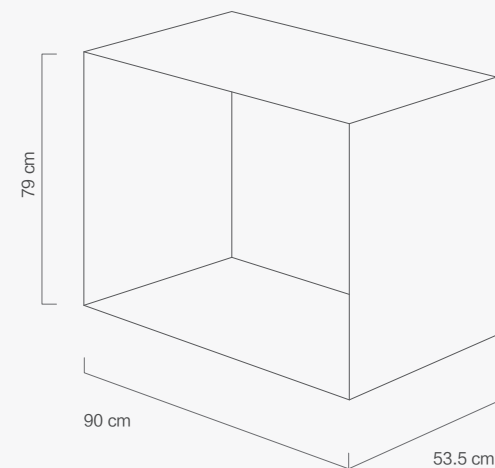

Net Weight: 123 kg

Capacity: 370L

Product Dimensions: 72cm * 100cm * 100cm

GERMAN EBMPAPST FAN **x2**

JIRPET-MAX

Applicability:

Suitable for cats, dogs, and other pets weighing up to 75 kg (165 pounds).

Model: MAX

Rated Voltage: 110V~220V 50Hz~60Hz

(Customization options are available based on the country's requirements.)

Rated Power: 4100W

Temperature Range: 20~40℃

Timer Range: 15~120 Minutes

Air Volume Range: 1~4 Levels

Number of Fans: Three

Hair Care Method: Negative oxygen ion

Sterilization Method: Ozone

Sterilization Rate: 99.99%vt

Control Method: Touch Control + Remote Control

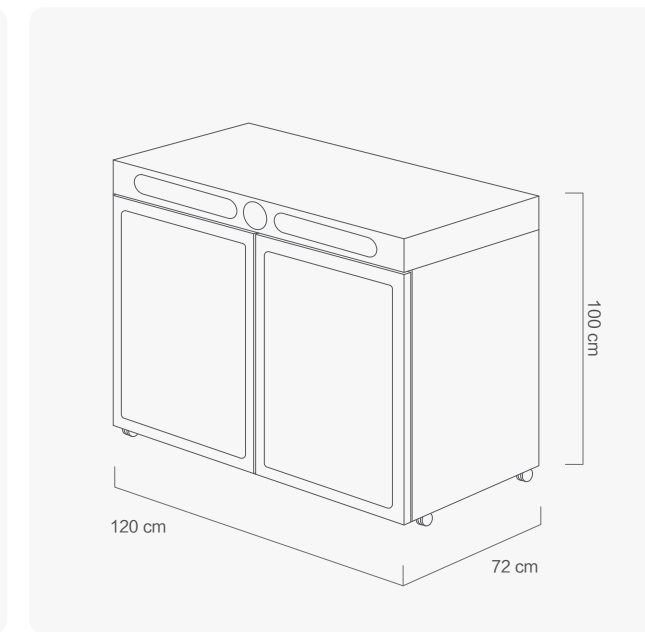

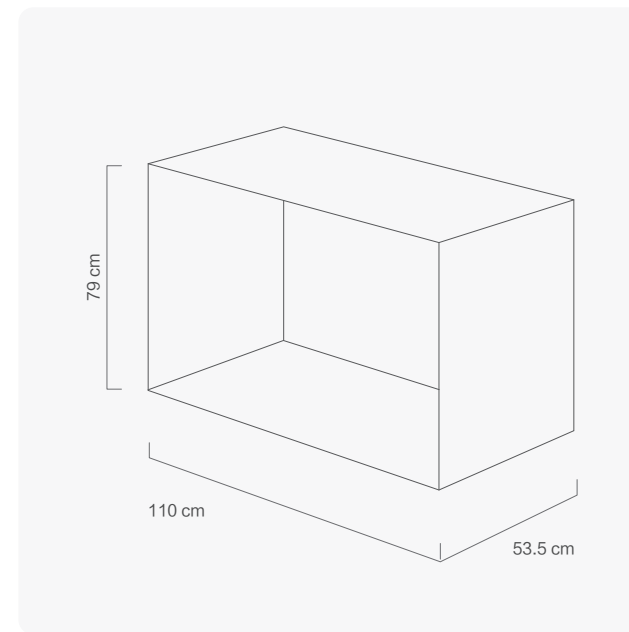

Net Weight: 150 kg

Capacity: 460L

Product Dimensions: 72cm * 120cm * 100cm

Internal Dimensions: 53.5cm * 110cm * 79cm

GERMAN EBMPAPST FAN **x3**

JIRPET-007-R

Electric Lifting Grooming Table
Standard Version

Table Dimensions: 125cm* 65cm

Electric Lifting Range: 23.5–90.5cm

Hardware Accessories Material: 304 Stainless Steel

Product Weight: 51.5 kg

Accessories:

Stainless Steel Arms + Clamps + Nylon Rope

Thrust: 6000N, Capable of Bearing 600 kg

Medical Grade Electric Telescopic Rod

JIRPET-007-J

Electric Lifting Pet Grooming Table
Deluxe Version

Table Dimensions: 125cm*65cm

Electric Lifting Range: 23.5cm–90.5cm

Hardware Accessories Material: 304 Stainless Steel

Product Weight: 51.5 kg

Accessories:

Stainless Steel Arms + Clamps + Nylon Rope

Thrust 6000N, capable of bearing 600 kg

Medical Grade Electric Telescopic Rod

+ Universal Security Socket

Available for 3500w High-power Equipment

Pet Dryers, Vacuum Cleaners, etc.

+ Transparent Tool Box

+ Tool Hooks

JIRPET-R30

Air Lifting Pet Grooming Table

Product Name

Air Lifting Pet Grooming Table – Round

Weight:

24 kg

Table Diameter:

60cm

Lifting Range

72–102cm

Accessories:

Stainless Steel Arms + Clamps + Nylon Rope

JIRPET-R30

Air Lifting pet Grooming Table

Product name:

Air Lifting Pet Grooming Table–Rectangular

Weight:

24 kg

Table Dimensions:

60cm*45cm

Height Lifting Range:

72–102cm

Accessories:

Stainless Steel Arm + Clamp + Nylon Rope

JIRPET-L30

Product Name:

Air Lifting Pet Grooming Table with LED Light

Weight: 24 kg

Height Lifting Range: 72–102cm

Standard Accessories:

Stainless Steel Arm + Clamp + Nylon Rope

Table Diameter: 60cm

Package Dimensions: 60*30*66cm

Package Volume: 0.12m³

- Height adjustable,
Height lifting range: 72–102cm

- Strong bearing capacity,
Capable of bearing 20KG

- Rotatable desktop,
360° rotatable

- Smooth Air pressure rise and fall

JIRPET-S60

SPA Machine

Model: S60

Rated Voltage: 110V~220V – 50Hz~60Hz

(Customization options are available based on the country's requirements.)

Rated Power: 500W

Net Weight: 2.4 kg

Air Volume : 75L / Second

Ozone content: 250 mg / Hour

Timer Range: 1~30 Minutes

Massage Pad Size: 85cm * 30cm

Pipe Length: About 175cm

JIRPET-S5

Stainless Steel SPA Bathtub

Model: S5

Product Dimensions:

94.5*60*96cm

Package Dimensions:

98.5*69.5*107cm

Net/Gross Weight:

45KG/55KG

Package Volume:

0.73m³

Color:

White/Orange

JIRPET-S7

Elevating stainless steel bathtub

Model: S7

Product Dimensions:

127*67*176cm

Package Dimensions:

140*79.5*76cm

Net/Gross Weight:

90KG/133KG

Package Volume:

0.78m³

Color:

White
