

With over 25 years in the robotic food packaging industry, we specialise in delivering tailored automation solutions.

Our focus, on providing systems that guarantee a low cost of ownership and deliver exceptional return on investment, is at the core of everything we do. Backed by our unwavering commitment to ongoing reliability and efficiency, PWR is your trusted partner in revolutionising bakery food production.

"I was blown away by the expertise and know-how of the PWR team. They delivered a robotic solution that handles our precious pancakes swiftly and delicately. Their intuitive HMI is a dream to work with, and knowing they're just a call away for assistance is incredibly reassuring."

Tom Geldhof, Co-owner of Yummy Bakery

PWR® | **PACKAGING WITH ROBOTS**

SUPERIOR | TRUSTED | TAILORED

6. Muffins
7. Doughnuts
8. Pancakes
9. Flatbreads

Why Choose PWR for Your Bakery Automation Needs?

Trusted Partner for Packaging Baked Goods: PWR is your trusted partner in streamlining the packaging process for a wide range of bakery products.

Bakery Expertise: We specialise in bakery automation, understanding the unique challenges and requirements of your industry.

Tailored Bakery Solutions: Our solutions are tailored to suit your bakery's specific needs, ensuring seamless integration and optimal performance.

Reliable Worldwide 24/7 Support: From installation to maintenance, our dedicated team provides ongoing support to keep your bakery running smoothly.

Innovation in Bakery Technology: Stay ahead of the curve with our cutting-edge automation technology designed to streamline bakery production.

"I was impressed by the expertise and innovation of the PWR team. They delivered a custom-made robotic solution that handles our flatbreads swiftly and precisely. Their intuitive PWR | Clear HMI 4.0 provides valuable insights, empowering us to monitor output and meet sustainability and production targets effectively. Knowing that PWR is committed to supporting us ensures peace of mind as we continue to explore automation opportunities."

Matthias Stromberg,
Production Engineer Polarbröd
