

# Size Pippa Dog Muzzle

FOR TRADE

## Ethical Basket Design

This is a basket muzzle created with welfare at the forefront, ensuring your dog can pant, drink, and take treats comfortably when fitted correct

**Size Pippa** is the **smallest** muzzle in our **Short & Wide Fit** collection, specifically designed for dogs with **shorter snouts & broader facial structure.**

Pippa is ideal for:

Dogs with short, broad snouts,  
Bully-type head shapes,  
Dogs with slightly undershot jaws,  
Compact, powerful breeds,  
Dogs too short for Harry

⚠️ *We do not recommend sizing by breed alone. Head width, length, and jaw structure vary hugely within breeds.*

# Why Choose the Size Pippa Dog Muzzle?

## 🍀 **Contoured for Undershot Jaws**

The area beneath the treat hole is gently bowed outward to accommodate slightly undershot bites, helping ensure comfort even for unique jaw shapes.

## 🍀 **Behaviour-Informed Panting Space**

Designed by a team of animal behaviourists, Pippa supports safe panting, drinking, and treat delivery when fitted correctly, even for compact muzzle lengths.

## 🍀 **Smooth Comfort Touch points**

Finished with smooth internal and cheek edges to help minimise rubbing and pressure points.

## 🍀 **Vision-Friendly Head Strap Design**

A flat head strap fastening reduces visual obstruction and supports spatial awareness.

## 🍀 **Streamlined Internal Structure**

Thinner internal bars create a sleeker, lighter feel without sacrificing strength or stability.

# Why our Muzzles are Different

We design muzzles that allow dogs to:

**Pant**  
**Drink**  
**Take treats**  
**Move comfortably**

Because a muzzle should provide safety and comfort, not punishment.
