

Recycled Poop Bags

About Us

Keeping it simple, keeping it green – Sustainability meets pet comfort

Welcome to Green Sheep!

With over a decade of eco-pet experience, we're proud to craft accessories that enhance your furry friend's comfort and the planet's health.

From poop bags to chew toys and plush toys, our recycled materials reduce waste while ensuring top quality. Our ethos, "Keeping it simple, keeping it green," guides every choice we make, ensuring eco-friendliness and quality in all our products.

Join us in creating a greener future for pets and owners. Choose Green Sheep for comfort and environmental responsibility.

Thicker & Stronger Poop Bags

Green Sheep believe in keeping life simple. We make our poop bags thicker and stronger because no one wants them splitting! They are also biodegradable to protect our wonderful environment.

Cute & Cuddly Pet Toys

Recycled plastic bottles are used to make the hardy cloth and soft stuffing. Using recycled material helps to keep waste plastic out of nature. The cute designs and bright colours help the pet toys to appeal to everyone.
