About Us

Simply2 Pet Products is a family-owned and managed business based in North Yorkshire, England. Supplying leading pet care brands to pet owners and trade partners all over the world, Simply2 Pet Products was established in 2018 by sisters Michelle and Bethany. Along with their staff, they are lifelong pet lovers and know how important peoples' cats and dogs are to them and the need for affordable quality products.

ProFleece is Simply2 Pet Products own brand of vet bedding which is manufactured here in Yorkshire and has been for over 25 years. ProFleece is a widely recognised and respected brand worldwide. The fibres are made from recycled plastic bottles which helps to reduce its' environmental impact. ProFleece is ideal for all domestic pets, young or old, fit or infirm. Wherever they sleep, be it on a sofa, a hard surface, in crates or kennels or when out in the car, ProFleece is the ideal bedding.

Simply2 Pet Products are the official UK distributor of Suitical Recovery Suits and is a distributor for many leading brands, including, Tick Twisters, Bugalugs, Whimzees, Pet Teezer, and more recently Pow Air, Pet Remedy and Anigene. Also stocked and supplied are ranges of toys, treats, and grooming products. Everyone at Simply2 Pet Products prides themselves on delivering excellent customer service. We're always happy to answer your questions or offer product advice, so please do not hesitate to get in touch with us!

Green Back

The polyester fibres allow liquids to drain through, keeping the top dry and comfortable for pets. The green back ProFleece vet bed is autoclavable, machine washable, and resists stains and bacteria. It is ideal for everyday situations as well as where a pet's hygiene and comfort are vital, including during medical care and whelping/kittening.

Features

- Made in Yorkshire, UK.
- Made from 120-200 plastic water bottles per square metre.
- Non-allergenic, non-toxic, and non-irritant.
- Non-fraying.
- Allows liquids to pass through, leaving the top dry.
- Does not support bacterial growth.
- Machine washable up to 90°C.
- Autoclavable.
- Quick-drying.
- Available in 2 densities:
 - 1200g - Pile Height: 28 - 30mm.
 - 1600g - Pile height: 31 - 33mm.

5
