About us

TRIVISA is an original brand founded by TRIVISA Knives Team. in Yangjiang,the largest knife manufacturing base in China.

We are an established and experienced team of knife designers, makers and service staff. Since 2006,our manufacturing department has been making knife.

Starting from supplying OEM and ODM services, we focus on producing high quality knives. We have been providing OEM and ODM services for some knife craftsmen known by world.Towards a new goal, we restructure and create our own brand, TRIVISA.

We are cooperating with well-known knife craftsmen and constantly signing contracts with world-famous designers to launch joint products.

Looking forward to your joining!
