Workwear: a 360° service

 mewa

# Mewa Textile Service

We offer high-quality workwear, which has been **specially designed to suit your individual needs**. More than that: Mewa 360° service means you have chosen the most modern and innovative way of procuring industrial textiles as well as benefiting from an increase in **cleanliness, efficiency and comfort**. Extremely comfortable and invisible in the background, Mewa reliably provides each of your employees with **individual workwear** – visually flawless, certified hygienic and functionally tested. Only possible in the 360° service.

## Mewa Awards

We are a certified 'German Brand of the Century' and even world market leader in the field of reusable textile cleaning cloths. We were awarded first place in the 'Design' category of the German Sustainability Award 2023 and our innovation management has placed us among the top 100 most innovative companies in the German mid-sized sector.

## Quality and environmental expertise

Certifications according to DIN EN ISO 9001 and 14001 are evidence of our top quality and environmental responsibility. These certifications guarantee excellent service and appropriate care in accordance with applicable safety and environmental protection requirements.

## Embroidery and emblem service

A uniform appearance of your employees ensures trust on the part of the customer and promotes identification with the company. We can therefore also equip your workwear with customised lettering or labels.

## Professional clothing: a 360° service

### Our mission

Every collaboration starts with customised advice. This includes size determination for each employee and precise identification of needs. Thanks to barcode labelling, all employees are always returned their own clothing.

### Inspection and repair service

Quality demands consistent implementation. After every washing and drying cycle, our employees check your work clothing for damage. When necessary, we replace fasteners and mend holes and areas that show heavy wear and tear.

### Mewa product diversity from a single source

- > Reusable textile industrial cloths
- > Professional and protective clothing
- > Business clothing
- > Oil absorption mats and doormats
- > Car seat covers
- > Washroom hygiene
- > Parts cleaners
- > Articles for occupational health and safety

### Mewa locker service

The Mewa locker system is our solution for storing your clean workwear and for collecting soiled laundry.

# Breathable wind and water resistant **Outdoor**

## **We won't leave you out in the rain**

When it gets cold and damp outside, it's especially uncomfortable for those whose jobs hold them outside in all kinds of weather conditions. This is an issue not just if you're working outdoors all day but also with frequent changing between being indoors and outdoors, for example, between construction site and container or between road and vehicle, so that the questions arises: What is the right clothing to stop you from freezing or sweating?

Professional weatherproof clothing from Mewa ensures an optimum body climate. Thanks to breathable fabrics that also resist to wind and water, the certified weather-protection clothing keeps you pleasantly warm and dry.

Perfect for cold and  
wet conditions

## Outdoor

Mewa Outdoor is our collection for pros with strict requirements. Each article stands for a modern look, maximum freedom of movement and the highest level of wearing comfort.

We have developed a new collection particularly for colder days and for work in cool rooms that provides comfort in cold, damp weather, keeps you warm and is breathable: the Mewa Outdoor clothing. With that you can master any challenge in any weather.

Whether you are looking for an all-weather jacket, a softshell jacket, fleece jacket, winter jacket or an all-weather trousers – Mewa Outdoor fully complies with the requirements of people working outdoors all day.

employees visible

## **Outdoor Reflect**

Whether on the construction site, in emergency or ambulance services – anyone who is on the move in traffic during the day and especially at night needs one thing more than any other: increased visibility. That's just one more reason why we have expanded our Mewa Outdoor collection. Mewa Outdoor Reflect adds an essential detail to all-weather jackets, softshell jackets, winter jackets and all-weather trousers: All products are available in fluorescent colours with reflective stripes. This means that we meet all visibility requirements and the popular Mewa Outdoor collection is becoming modern, comfortable, breathable and protective high-visibility clothing.

---

**Dynamic Industry**  
Men's work trousers

LOGO

Your work clothes.  
Your company logo.

Embroidered emblem

Direct embroidery

Printing

Create an unmistakable appearance: **The individual Mewa embroidery and emblem service**

On request, we can add your company logo or employee names to your Outdoor clothing. From embroidered emblems and direct embroidery to printing, we will figure out which process best suits your needs. The choice of method depends on the clothing materials, the complexity of the logo or lettering and the position of the embroidery or emblem.

**We would be pleased to offer our service.**
