Starmark World Leader in Pet Education – For over two decades, our award-winning training and behavior tools are developed by experts and performance tested by thousands of dogs at the Starmark Animal Behavior Center. As the facilitator of world-class education and training programs for dogs and professional dog trainers, we understand how dogs think, play, and learn – this hands-on knowledge makes our products unique.

Starmark Academy is the largest, most comprehensive training, behavior, and boarding center in the world. With a 100,000 square foot facility situated on 360 acres, we cater to everything from pets to pros. Our extensive staff of certified professional training and behavior specialists offers a wide array of techniques and specialties.

Starmark Academy offers something for everyone, from the pet owner to the dog sports enthusiast including training in basic companion obedience, solutions for common behavior problems, agility, police K-9, search and rescue, schutzhund, and more.
